A message from the Managing Director

Hello, I'm Justin Dyke and the Managing Director of Aquaman Projects Pty Ltd. I've been in the swimming pool construction industry for over 35 years now, and it's safe to say I've owned businesses in all sectors of the industry.

At Gold Coast Plunge Pools, we believe that a swimming pool is more than just a place to swim. It's a space for relaxation, entertainment, and creating lasting memories with family and friends. That's why we take great pride in our work and strive to create swimming pools that are not only functional but also add value to our clients' lives.

Thank you for considering Aquaman Projects for your swimming pool needs. We look forward to the opportunity to work with you and create a beautiful, functional, and lasting addition to your home.
