INTRODUCING THE KYANA REGION AACA CAR CLUB

The KYANA Car Club is a nonprofit club and a region of the Antique Automobile Club of America (AACA).

Every March since 1966, our club has hosted the KYANA Swap Meet at the Kentucky Exposition Center (KEC). This is the largest indoor automotive swap meet in the country with almost 1200 spaces in four buildings at KEC and an outdoor car corral with vintage vehicles for sale.

KYANA's club house is located at 3821 Hunsinger Lane, Louisville, KY on 3 acres in the Hikes Point area. The clubhouse has two large meeting areas, one on each floor that seat over 100 people each and a kitchen to support large dining events. The grounds has a paved parking lot and two large grassy areas for picnics and other club activities.

KYANA is a very active club with more than thirty club sponsored events each year. Supporting local charities has been a tradition at KYANA for many years.

Other activities include visiting local attractions, car shows, tours, and AACA National events across the country.

For more information contact our membership chairman:
Carol Bass at 502-714-8947
