FROM THE PRESIDENT MARK KUBANCIK

Are you ready for some good news? Thankfully there is much good news to share this month. Let's begin with news from our second annual car show on Labor Day. Thanks to the hard work of the Bass family and their dedicated crew of volunteers, we saw a ~68% increase in participation of show vehicles and a ~77% increase in funds donated to charity. Thanks to all those who showed a vehicle, bid on an auction item, bought food, donated cash, and volunteered to work the show, we donated over \$2,600 to the Crusade for Children. Thanks for your support and generosity! Although Pat and I were out of town and unable to attend the show, I was able to review and upload many show photos taken by several KYANA members. I saw many smiles on the faces of members and non-members alike. I also

recognized several local car club non-members, reached out to them, and thanked them for supporting our show. The responses received were all very positive, an indication that we made everyone feel very welcome. A big thank you to Willie Willhoite for standing in for me as chief judge. Another indication of a successful show is the dozen new members Carol Bass signed up at the show. To view the photos, visit the KYANA website: <https://kyanaregionaaca.com/>

I'm pleased to announce that we have an eager and qualified volunteer to take over Sandy Jospeh's Sidelight Editor position. Beginning with the December issue, Kim Steinke will work with Sandy for a couple of months to transition into the Editor role. We thank Sandy for her great work on The Sidelight and welcome and thank Kim for volunteering for this important role in KYANA!

If you have been reading this column for the past several months you will have noted comments regarding the possibility of having to raise the KYANA annual dues. I'm pleased to report that thanks to our friends at KYSWAP such an increase will not now be necessary. When you visit the KYANA website you will see a banner on the home page advertising our annual swap meet. KYSWAP pays a nominal monthly fee to the KYANA Region for this advertising, and the board can use these funds to pay ongoing expenses including support for events. Inside this issue of The Sidelight, you will find the 2025 dues renewal form with no increase in cost! Thanks, KYSWAP!

If you are a Facebook fan, I'm pleased to announce that plans are afoot to make the KYANA Region Facebook page more current and vibrant so we can use it for additional member communication and new member recruitment. Stand by for more news on this topic.

As you read this article, summer 2024 will be a memory. It won't be long before snow on the roof and salt on the roads forces us to park our collector vehicles for several months. Therefore, please take advantage of several of the fall activities offered in this edition of The Sidelight. Until then....

Remember...it's supposed to be fun!

FROM THE SECRETARY ALEX WILKINS

KYANA Region Board Meeting Minutes – September 10, 2024

Location: KYANA Clubhouse

KYANA Region Board Members Present: Alex Wilkins, Mark Kubancik, Tim Truax, Stan Gaus, Shawn McDonald, Willie Wilhoite, Chester Robertson, Brian Koressel

KYANA Region Members Present: None

Meeting called to order at 6:50 pm

Secretary's Report: Tim Truax moved to accept the August meeting minutes, Brian Koressel seconded the motion. The motion carried with all in favor.

Treasurer's Report: Alex Wilkins moved to accept the August report, Willie Wilhoite seconded the motion. The motion carried with all in favor.

Shawn McDonald reported that the club has a Venmo account available to accept non-cash payments. This is in addition to the existing PayPal account.

Chester Robertson reported that KYSWAP will be paying the KYANA Region for webpage advertising. Considering the additional advertising revenue, the Board decided that an increase in club dues for 2025 is no longer necessary. Club chapter dues will remain at \$10 for 2025.

Activities: Chester Robertson reported that The KYANA Open Car Show was very well attended. The board discussed the lower-than-normal turnout that has been occurring for the last few events other than the open show. Considering the club's hosting of the 2025 National Event and the participation that will be required, the board decided to reduce the number of KYANA sponsored events for next year.

Membership: The KYANA Open show recruited 13 new pre-members, and the club now has a total of 46 pre-member families.

Clubhouse Rentals: Nothing new to report.

Sidelight: Kim Steinke will be taking over as editor from Sandy Joseph. Sandy will be assisting Kim for the next couple of issues.

Website: The Toys for Tots event is listed on the club website.

Old Business: Little progress has been made on student outreach.

Resumes for board elections will be collected by Sept 16 for publication in the October Sidelight.

New Business: The board discussed the creation of a new club Facebook page for engagement with new members.

A motion to close the meeting was made by Brian Koressel and seconded by Shawn McDonald. The meeting adjourned at 7:36 pm. The next meeting will be held at the clubhouse on October 15 at 6:30 pm.

KYANA EVENTS BY CHESTER ROBERTSON

October is another busy month with the first event starting with Bowmanfest on the 5th and 6th chaired by Chris Mueller. The following week is Hershey Fall Nationals on the 8th to the 11th in Hershey, PA. This will be my 37th year of attending this event. The smell of chocolate still clears one's nose in the afternoons. Many KYANA members now make an annual venture down to the Kentucky Railroad Museum each year. Here they get to enjoy the old trains and I have heard that some members have been involved in a train holdup. This event is held on October 19th and is sponsored by Neil White. The next day, October 20th, is the LMPD Trunk or Treat event sponsored by the Bass family. The last event of the month is on the 25th and 26th down in Huntsville Alabama for the Southeastern Fall Nationals hosted by Jim and Sandy Joseph.

The following month on November 2nd we have the Toys for Tots breakfast at the Ole KYANA Home with Maureen and Alan Vanatta hosting this event. Please try to make as many events as possible! Chester

HALLOWEEN TRUNK OR TREAT

Halloween Trunk or Treat – Sunday, October 20

LMPD's 7th Division has invited KYANA to participate in their Halloween in Highview Park community Trunk or Treat event on Sunday, October 20. Event hours are 4:30 – 7:00 p.m. If you attended National Night Out the location of this event is at that same location, best accessed from Briscoe Lane which parallels Outer Loop.

Never been to a trunk or treat? Open the trunk or tailgate of your vehicle and give away candy to the local kiddos. Note that this is not an official KYANA activity; it is more of a community outreach activity like a nursing home visit. Regardless of the activity type, we encourage our members to support local first responders and spread good wishes throughout the community.

LAST CHANCE

Are you ready for a new adventure? KYANA is traveling to Huntsville, Alabama, for the AACA Southeastern Fall Nationals. We have reserved a block of rooms for Friday, October 25th only, at the Fairfield Inn by Marriot on 1385 Enterprise Way, and they will only cost you \$80. This includes a free breakfast at the hotel. If you want additional nights, you will need to make these reservations on your own.

We will have dinner on Friday night as a group. You will receive \$10 per person for the group dinner. If you do not want to go to dinner with the group, you will need to pay for your own dinner. It is always nice to spend time together, visiting over a great meal.

Please make a check out to KYANA for \$80 for the room. Let me know if you prefer 1 king bed or 2 beds in your room, and I will let the hotel know. Send the check to Jim Joseph, 1925 Pine Run Lane, Batavia, Ohio 45103. If you have any questions, call 502-558-5075.

AACA AND KYANA MEMBERSHIP RENEWALS

!! AACA and KYANA Membership Renewals!!

It's that time of year again for us to renew our memberships with both AACA and KYANA!

Just like last year, we have the option for a partial online renewal through the AACA online renewal page. If you receive emails from AACA, you may have already seen a notice titled "2025 Membership Renewal Time":

2025 Membership Renewal Time

Member Name: Alex Wilkins

Membership Number: [REDACTED]

Pin Number: [REDACTED]

It's 2025 Membership Renewal Time

It's our busiest time of the year here at AACA Headquarters – it's membership renewal time! The first renewal notice for 2025 dues will be included in the September/October mailing package of *Antique Automobile*.

Members can also use our online renewal option on our website ([click here for link](#)). Renewing online is quick and easy! Just log in with your membership number and pin number, review the information currently listed on your membership record and make changes if necessary. Review your information one more time and choose your payment type. Payment options include Visa, MasterCard, Discover or PayPal. **Your payment will automatically update your membership record.**

Antique Automobile Club of America
(717) 534-1910; kwhite@aaca.org

We thank you and appreciate your loyalty!

If you click on the link in the email, it will direct you to the AACA website where you can update your membership details and pay with a Credit/Debit Card or with PayPal.

Since AACA has made this option available, you are free to choose it when paying for your AACA National Membership dues. When you turn in your **separate membership dues for KYANA**, please check the box on the updated KYANA form.

!! Please be aware that this new option only allows you to pay for AACA dues, not KYANA dues. If you fail to pay your KYANA dues separately, you will be removed from the KYANA roster. !!

If you do not receive emails, or if you don't wish to pay online, we are still submitting all dues as one group to AACA. Just submit a single payment of \$55 to cover both AACA and KYANA, and the club will submit all paperwork and money on behalf of those who take this option.

!! Regardless of the option that you take, dues must be received (not postmarked) before December 1, 2024.

KYANA SECOND ANNUAL CAR SHOW

Recap of the Second Annual KYANA Charities Car Show by Jerry Bass

On Labor Day KYANA hosted the Second Annual KYANA Charities Car Show on the clubhouse grounds. It was a great success. The weather couldn't have been better with sunny skies and a high of only 82 degrees. We had a total of 128 cars in the show of which 71 were non-members. This is more than double the participation over last year. We promoted the show more heavily this year with Facebook and flyers and had participants come from as far as Eastern KY, middle Tennessee, and as close as Lexington. The quality of the cars was greatly improved as well.

We tried a new approach to generate donations from the participants this year. Rather than have a 50/50 raffle, which required KYANA Charities to apply for a gaming license and open our books to the City of Louisville, it was suggested by a member to have a "Silent Auction". As the name suggests, bidders record their amounts on paper for the item(s) they want and the highest bidder wins. Eight auction items were compiled by Mark and Pat Kubancik, Randy and Emily Puckett, and Carol and myself. The auction items ranged from things for ladies to tools for men. It was very well received and we will do it again next year.

The show would not have been successful without the careful dedication of a handful of volunteers who staffed the registration, t-shirt sales, silent auction, announcements, parking, judging, and concession areas. A big thanks to all who volunteered and made the show possible.

Some show statistics:

128 cars

75 goodie bags courtesy of JEGS

26 volunteers

167 customers in the kitchen which consumed:

93 hamburgers

43 pulled pork sandwiches

46 hot dogs

23 nachos

149 sides

165 drinks

We also sold 28 KYANA t-shirts for KYSWAP.

Special thanks to the following businesses that donated to the show. Please try to patronize them.

KYANA REGION BUSINESS CARDS

Region board member Tim Truax brought an idea to the board to design and print KYANA business cards. The cards would include pertinent information about the club allowing members to give to non-members for recruitment purposes. The board liked the idea and gave Tim the go-ahead. Examples of the cards are presented here. In addition to an email address and website address, the reverse side of the card includes a QR code that takes anyone with a camera phone to the club's website. If you would like to take some cards with you to local car shows or other events, please contact one of the Region board members.
