## *From The President Fred Trusty*

Another year's Swap Meet is behind us and to the best of my knowledge things went very well. Unbeknown to us, KEC had installed a wider overhead door (our Exit door) and moved the walk door which made for some last minute changes at the Thursday space mark off and we still finished on time. The vendor move in that starts at 11:00 o'clock on Friday was even better this year than last. The long line of vendors was down to nothing by 2:00 o'clock. One change this year was that we didn't cover all the doors in Broadbent Arena and West Hall on Friday and Sunday because we didn't have enough workers.

Speaking of not enough workers, let's look at the topic of membership. Our bylaws state, "October will be considered membership application month. Applications for pre-members will be accepted by the membership chairperson between October 1 st and October 31 st of each year." All of the details of Kyana membership are in the bylaws on pages 2 and 3 for your reading pleasure. In summary, a pre-member is someone whose application has been approved by the board of directors, has an existing member sponsoring them, is currently or has applied to be an AACA member, and must attend at least (6) Kyana events including the Swap Meet between January 1 st and October 1 st of that year. Pretty simple. Complete your 6 events and you are a Kyana member the following year.

Most of us come in contact with potential members all year long. How many of you joined Kyana because someone invited you to an event? Any Kyana member can invite someone to an event as their guest. It's a great way for them to meet us and see what Kyana is all about. It's also a way for us to get to know them. If you know someone that shows an interest in Kyana or for that matter, old cars in general, invite them to one of our tours as your guest. Even if they don't join Kyana, hopefully they will tell other people about all the fun things we do. Almost every year at the Salvage Yard Tour we have several guests. They might not have joined Kyana yet, but I know they talk highly of us to their friends. Personally, I've used the Kyana picnic as a recruiting tool for many years now and can name quite a few members that attended some of our events as guests before they became pre-members. A word of caution, though. The Awards and Elections dinner and the January Business Meeting are not good events to invite guests. My jokes might scare them off.

While we're on the subject of membership, I've mentioned several times that we would like to hear your thoughts on either raising or eliminating the limit on membership. Per the bylaws, the cap is 275 and we currently have 273 members. We already have quite a few potential members for 2020 but we might have to turn them away if the cap stays at 275 and our attrition level stays the same as years past. Remember the part about not covering all the doors at the swap meet because we don't have enough workers? Another thing to consider is the average age of our members. We're not getting any younger and we certainly aren't moving any faster. So far I've only heard from less than a handful on this subject. If we are to change the bylaws, the process will have to be started in the next month or so. Please let me know your opinion.

We are in the process of planning more driving tours this year so don't procrastinate getting your car ready for the driving season. Get the old buggy out and have some fun.

## *From The Secretary Mark Kubancik*

**KYANA REGION BOARD MEETING**

**March 12, 2019**

**Location: KYANA Clubhouse.**

**KYANA Region Board members present: Brian Hill, Mark Kubancik, Pat Palmer-Ball, Chester Robertson, Roger Stephan, Fred Trusty, Alex Wilkins, and Neil White.**

**KYANA Region member present: Ruth Hill.**

**Meeting called to order @ 6:41 p.m.**

**Secretary's Report: Neil motioned to accept the February report. Pat seconded the motion and the report was accepted with all in favor.**

**Treasurer's Report: Mark made a motion to accept the February report, Neil seconded the motion and the motion carried with all in favor.**

**Activities: The board discussed KYANA's participation in a number of upcoming events, including the Aviation & Military Heritage Festival at Bowman Field, the Lanesville Festival parade on September 14, the Corydon antique car show on October 20, and the Kentucky Railway Museum show on October 19. Sponsors were discussed and plans made to participate in these events. Roger is still finalizing plans for a southern Indiana cave tour on June 22.**

**Membership: Roger reviewed the 2019 pre-member list and noted those that had worked the swap meet.**

**Clubhouse: The koi fish club rented the basement for a meeting in March.**

**Sidelight: Thanks to Dean Smith's editing skills, the total prep cost of The Sidelight was reduced approximately \$350 for the March issue. We expect these cost reductions to continue thanks to the printer not having to edit each issue. The board agreed to move forward the article deadline date in an effort to speed delivery of The Sidelight. Roger noted that his phone number was still not correct in the March issue, however, he has contacted Dean and had it corrected. Finally, it was noted that we need more cover stories as we are now down to only three or four remaining.**

**Web Page: Little progress since creation of the new region web page. Following a discussion of options to complete set-up of the new page, Mark moved to hire the website consultant already working on the swap meet and NSRA swap meet sites. The consultant will be hired to review the current state and provide a report with a quote to complete. Pat seconded the motion and following additional discussion the motion carried with all in favor.**

**Old Business: None.**

**New Business: None.**

**There being no further business to discuss, Neil moved to adjourn. Chester seconded the motion and the meeting adjourned at 7:39 p.m. with all in favor. The next KYANA Region meeting will take place at 6:30 p.m. on Tuesday, April 9 at the KYANA Clubhouse.**

## KYANA Events By: Chester Robertson

*Operating the largest indoor swap meet in the country is work that covers twelve months a year. We are now making plans for the 2020 meet. In the weeks leading up to the meet, chairpersons are making their final assignments and last minute updates. After all the planning during the last year the time arrives and the meet is over in hours.*

*Kyana members poured out to make sure the event runs smoothly and vendors were very excited with sales of their wares. Shoppers arrived in record numbers and were just happy to get out for the weekend. It may have been a great case of cabin fever. I believe the fever has been cured for the time being. These shoppers have large smiles on their faces as they carried large bundles of goodies out of the buildings.*

*The good times are here for Kyana Folk with special planned activities for the rest of the year. You need to plan now to be involved in all the fun events this year. The Salvage tour was the first driving event of the year chaired by the Kubancik family ending with a meal at the Overlook Restaurant with a beautiful view of the mighty Ohio valley.*

*The month of April has the Appreciation Dinner (April 14) out at Big Springs Country Club as a reward for all the hard work you did at the Kyswap. Get your reservations in to Jenni Mulrooney now as there will be swap meet info and a great meal. Check the weather you might want to drive the old buggy. The Third Annual Kyana Derby Festival Cruise will be held out at Iroquois Park Amphitheater on April 28 at 3:p.m. to 5:p.m. Please send money to sponsor Dennis Buchholz. In May comes the St. Francis In The Fields Car Show sponsored by Dwight Hardesty. At the end of the month comes the Annual Grand National at Auburn, Indiana. This will be the first Grand National at Auburn and the largest of all the shows held there by AACA. Register now as rooms and car registrations may be sold out. Call the Joseph family for more information. See you in 2019.*

*See you,  
Chester*

### *Sick & Visitation*

*Patsy Basham*

*Brian Koressel had surgery for kidney stones.*

*We received a thank you card from Judy Mueller. She said I would like to thank Kyana for the cards and basket of fruit from Paul's. Your kindness and thoughtfulness was much appreciated. I am slowly recovering from total knee replacement. It is amazing how all the little things put a smile on your face and know that others took the time to let you know they are thinking about you. Many thanks Judy Mueller.*

*Stay warm and stay well KYANA.- Patsy*

Each year the Louisville Youth Orchestra has its season finale performance at Iroquois Amphitheater. There are 350+ youth musicians onstage and approximately 1,500 audience members at the event. This year the concert will be presented on Sunday, April 28, 2019 beginning at 4:00 pm. KYANA will be sponsoring a car show in the parking lot of the amphitheatre prior to the beginning of the concert. This is an authorized Kentucky Derby Festival event and KYANA will be included in all of the Kentucky Derby Festival advertising.

Attending the concert is optional. Admission to the concert is free to KYANA members and guests as an official Kentucky Derby Festival Event as long as a Pegasus Pin is presented at the door. Pins will be available for \$6.00 at the concert. The pin can be used for entry to all other Derby Festival Events. The Derby pin is not needed in order to participate in the cruise. Attending the concert is optional. The young musicians will be asked to vote for their favorite car and the owners will be acknowledged onstage. For more information about the Louisville Youth Orchestra visit their website at [LYO.org](http://LYO.org).
