THE SIDELIGHT
OFFICIAL PUBLICATION OF
KYSWAP INC.
LOUISVILLE, KENTUCKY

Deadline for Articles is the 18th of preceding month in order to have it printed in the following issue. Articles from the membership are welcomed and will be printed as space permits. Members may advertise at no charge, either for items for sale or requests to obtain.

Editorials and/or letters to the editor are the personal opinion of the writer and do not necessarily reflect the official policy of the club.

From The President Fred Trusty

Even if you weren't at the Swap Meet Appreciation Dinner you've probably heard about the fiasco at the end of the dinner. An off key comment was made by a member. I didn't hear it but depending on who I talk to there are different accounts of what was said. No matter what the actual wording, the comment was offensive. What followed after that was equally offensive. This entire incident is a black eye for Kyana. It's pretty embarrassing when several members of the staff at Big Springs approached me after the dinner to ask what was going on. It wouldn't surprise me if we weren't allowed back next year.

The Swap Meet Appreciation Dinner is supposed to be a celebration of the hard work of our members at the Swap Meet so to everyone, Thank You. Without you we wouldn't have a swap meet. My apologies for not having a comprehensive Swap Meet Report. I will make sure it will be available as soon as all the invoices are received and paid.

I like Pepsi, you like Coke. I lean right, you lean left. U of L is best. No, UK is best. We all have different views on sports, politics, food, and other topics and that's OK. But, ask yourself, what's the common denominator with Kyana? The answer is pretty simple; old cars, food, fun, and fellowship. It's fine for us to disagree on any given topic. It fosters discussion and hopefully in the end a compromise will be reached. But, the discussion should be civil. No personal attacks, no vulgar language, and certainly no threats of violence. So where do we go from here?

First of all, I hope everyone has had time to cool down and reflect on this entire incident. Several members have indicated they will drop out of Kyana. Please reconsider. One bad experience shouldn't cancel all the good times. Just because a sports team loses a game doesn't mean they should quit the league. To our newer members, I have been a member since 2001 and Sunday is not what Kyana is all about. Please overlook this one incident.

Second, maybe we need to look at some sort of ethics rules for our club. Yes, the bylaws say we are to use Roberts Rules of Order at meetings but maybe we need some form of common sense rules for more informal gatherings. Just a thought.

Last but not least, I put a lot of time and effort into managing the club's business so that we all can have some fun and I really look forward to our dinner meetings where I can relax, talk to people, socialize, tell a joke, and have some fun.

Thanks to everyone for their suggestions and support. All I can say is let's put this ugly chapter behind us and get back to having fun with old cars. We have a great club and we shouldn't let one bump in the road run the car into the ditch. Besides, I don't need to be banned from yet another country club in town.

Fred

From The Secretary Mark Kubancik

KYANA REGION BOARD MEETING

April 9, 2019

Location: KYANA Clubhouse.

KYANA Region Board members present: Brian Hill, Mark Kubancik, Chester Robertson, Roger Stephan, and Fred Trusty.

KYANA Region members present: Jerry Bass, Dwight Hardesty, and Ruth Hill.

Meeting called to order @ 6:55 p.m.

Jerry Bass reviewed plans for a trip to the Madison Regatta parade on July 5. The current schedule calls for a buffet dinner and some downtime for exploring the festival vendors and shops in downtown Madison. More details in upcoming editions of The Sidelight.

Secretary's Report: Chester motioned to accept the March report. Roger seconded the motion and the report was accepted with all in favor.

Treasurer's Report: Chester made a motion to accept the March report. Mark seconded the motion and the motion carried with all in favor.

Activities: Roger reviewed plans he has made for a tour to Squire Boone Caverns in southern Indiana on June 23. Current plans include a buffet dinner in Brandenburg, KY. The KYANA yard sale is scheduled for June 15. Next on the agenda will be the aforementioned tour to Madison, Indiana, for participation in the Madison Regatta parade. Chester is continuing to work on a garage tour for later in the summer.

Membership: Roger reviewed the 2019 pre-member list and noted that three pre-members did not work the swap meet and thus will not become full members at year-end.

Clubhouse: The modeler's club annual show will take place in May and the koi fish club show will take place on Memorial Day weekend.

Sidelight: The April Sidelight printed version was very late in arriving. The Board discussed the late delivery issue and wants members to know that they can sign up for electronic delivery of The Sidelight via email AND also still receive a printed copy should they desire. The Sidelight can be viewed BEFORE it is printed if you sign up for email receipt or if you access the Region's new website: <https://kyanaregionaaca.com/>

Web Page: The hired consultant has made significant progress upgrading the new website: <https://kyanaregionaaca.com/> Current and prior month version of The Sidelight are uploaded to the website and we are working to upload event photos and other pertinent material to the site.

Old Business: AACA moved the dates of the national show KYANA is hosting in 2020. Plans now have this show taking place in August 2020.

New Business: Fred introduced the topic of a proposed bylaw change to remove the current membership limit of 275. Following discussion, Chester moved and Mark seconded the following proposed bylaw change: The current KYANA bylaws, Article III, Section 3f states: "all applications of pre-members are to be approved by the board of directors, and a membership limit of 275 persons will be adopted."

The proposed change to Article III, section 3f reads; "all applications of pre-members are to be approved by the board of directors." The motion carried with all in favor. Mark will publish the initial notice in The Sidelight.

There being no further business to discuss, Mark moved to adjourn. Brian seconded the motion and the meeting adjourned at 8:21 p.m. with all in favor. The next KYANA Region meeting will take place at 6:30 p.m. on Tuesday, May 14 at the KYANA Clubhouse.

Notice of Proposed Bylaw Change

We have many members that due to age and/or health issues cannot work the swap meet. We continue to need more workers at the swap meet and for the last several years have supplemented KYANA's own workers with a variety of volunteer groups. There are also many potential members that want to join KYANA but cannot due to the current membership cap. Eliminating the cap will help solve both issues.

The original reasoning for the cap was to allow the clubhouse to safely and efficiently accommodate a maximum number of members at our four big dinner meetings each year: January Business Meeting, Swap Meet Planning Meeting, annual picnic, and Awards and Elections. Despite the membership cap being raised several times over the years, we have yet to fill the clubhouse to capacity.

Following several months of discussion on this topic, the Board moved at its April meeting to amend the current bylaws to remove the membership cap. The current KYANA bylaws, Article III, Section 3f states: "all applications of pre-members are to be approved by the board of directors, and a membership limit of 275 persons will be adopted."

The proposed change to Article III, section 3f reads: "all applications of pre-members are to be approved by the board of directors."

Following the required number of notifications, a vote of the full membership on the proposed bylaw change will take place at an upcoming general meeting. The Board welcomes your comments, questions, and feedback regarding this proposed bylaw change.

Please contact any member of the Board to convey your thoughts and opinion.

Mark Kubancik

Sick & Visitation

Patsy Basham

Thank You KYANA family. I really appreciate the kindness of all thinking of me while I am recovering from my Knee replacement surgery. The fruit basket was much appreciated but mostly the cards and well wishes meant the world to me. KYANA is a large extended family and I am so grateful for all who are keeping me in their thoughts and prayers.

THANK YOU, Pat Palmer-Ball.

- Patsy

2019 Salvage Yard Tour

Always a popular event, 25 KYANA members and 7 guests braved the prediction of up to a 90% chance of rain for another KYANA salvage yard tour. Unlike last year, nary a drop of rain fell on our members during the salvage yard tour. Once we were safely under cover eating lunch, however, the skies opened. The weather gods truly smiled on us this year.

We returned to Mike's Used Auto Parts in English, IN, having been there approximately ten years ago on one of our first salvage yard tours. With over 1,800 vehicles, even those making their second visit were sure to see something new. Favoring MoPars and International passenger vehicles, Mike's still had enough variety of other makes and models to please all attendees.

Many members found some needed parts, tools, or other hobby items. Prices were reasonable to downright bargains.

Following the tour, we traveled eastward toward Louisville to dine at The Overlook Restaurant. Members and guests feasted on a buffet lunch of salad, fried chicken, roast beef, mashed potatoes with gravy, baby carrots, green beans, and cobbler.

We already have a line on a vintage salvage yard to visit next year, so this popular event will repeat in 2020.

Mark Kubancik

REMEMBER:

We would love to hear from you about some of your escapades/experiences with your car. When you submit your article, please send some pictures of yourself and (if possible) the car that you are writing about.

Two (2) Yamaha gas powered golf carts.

These are the KYANA golf carts that have been used once a year at the swap meet for at least the last 20 years. They are in fair condition but the ID tags are missing. The last time they were running was at the 2018 Swap Meet. There are no batteries in either cart and they will probably need a tune up. If you would like to see the carts, please contact Fred Trusty at 502-292-7008. Sealed bids must be post marked no later than June 1, 2019 and mailed to the address below.

Fees for Various Activities

KYANA has many wonderful activities, many of which include a fee. In the future, please make sure that you send your check in by the **DUE DATE. You must register with the Chairperson, and not just show up at the door. Thank you for your help in this matter.**

★ UPCOMING EVENTS AT KYANA ★

Coming soon! Little Colonel Playhouse presents:

WHAT: Working: The Musical

WHEN: June 9, 2019 at 2:00 p.m.

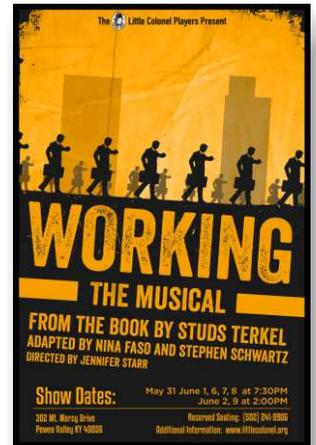

WHERE: Little Colonel Playhouse
Pewee Valley, Kentucky

AND: Dinner before the show at the Pewee Valley Woman's Club

COST: \$18.50 per person for KYANA members -
for both the play and the dinner - made out to KYANA

\$37.00 per person for non-members

DEADLINE: May 5, 2019

The play examines 26 people from all walks of life and it proves that work is more than just a job for the average, working American. This play is based on Studs Terkel's best-selling book about interviews with American workers. Many of the songs were written by Tony Award winners, and others such as James Taylor. This show was nominated for six Tony Awards!
