**THE SIDELIGHT
OFFICIAL PUBLICATION OF
KYSWAP INC.
LOUISVILLE, KENTUCKY**

Deadline for Articles is the 18th of preceding month in order to have it printed in the following issue. Articles from the membership are welcomed and will be printed as space permits. Members may advertise at no charge, either for items for sale or requests to obtain.

Editorials and/or letters to the editor are the personal opinion of the writer and do not necessarily reflect the official policy of the club.

From The President Fred Trusty

I hope you took advantage of the club sponsored overnight trip to the AACA Grand National in Auburn, IN. The Friday night concert was by the '50s group, The Van-Dells and what a show they put on. Doo wop, 50's rock and roll, and of course, Elvis songs. There were almost 400 cars at the show on Saturday morning plus the AACA Zenith Award competition.

Look for an article in the upcoming issue of Antique Auto. There is so much automotive history in that area that you could spend days just checking out all the museums. The Early Ford V8 Museum recently went through a major expansion and I've been told is impressive. The Auburn Cord Duesenberg Museum is one of those places that I could spend all day wandering around mesmerized by the engineering that went into building those classics. Then there's the National Automotive and Truck Museum, The National Military History Center, The Hoosier Air Museum, and many more attractions. I hope you had time to check out some of these attractions but if not, there's always next year.

I would like to touch on the subject of KYANA dinners at venues other than our clubhouse such as country clubs. First of all, it's not that easy to find an upscale venue that can accommodate over 100 people, especially during the Christmas holiday season. Keep in mind that we are guests of the venue and have to abide by their rules which means that they set the dress code, not KYANA. Also, keep in mind that the country club is going to give first preference to their own members. If one of their members and KYANA request the same date, their member will get first choice.

Whenever we are out in public as a club, no matter what the venue, whether it's a tour, lunch, or other event please remember that every one of us is the face of the antique car hobby in general. We only have one chance to make a first impression so let's make it a good one. In my opinion, we have strayed off course and need to pay more attention to our main purpose as stated in our bylaws: "The purpose of this region is to promote the preservation, restoration, enjoyment and collection of antique automobiles to the mutual enjoyment of its members." Let's get back to driving our cars and having fun wherever we go.

We have lots of events coming up in the next few months that are an opportunity to take your old car out for a drive. I'm sure a lot of you have the same problem as I do. I would like to attend all of our events but sometimes family and other commitments take precedence so make the best of the ones you can attend and I hope to see you on the road soon.

Fred

From The Secretary Mark Kubancik

KYANA REGION BOARD MEETING

June 11, 2019

Location: KYANA Clubhouse.

KYANA Region Board members present: Brian Hill, Mark Kubancik, Pat Palmer-Ball, Chester Robertson, Roger Stephan, Fred Trusty, Neil White, and Alex Wilkins.

KYANA Region member present: Ruth Hill.

Meeting called to order @ 6:44 p.m.

Secretary's Report: Chester motioned to accept the May report. Pat seconded the motion and the report was accepted with all in favor.

Treasurer's Report: Mark made a motion to accept the May report. Chester seconded the motion and the motion carried with all in favor.

Activities: The board discussed two upcoming July events, the Madison Regatta parade on July 5 and a return to Ponder Creek Estates nursing home on July 20. Chester noted that we are exploring another nursing home visit on the east end for August. The club picnic is scheduled for August 11.

Looking ahead, KYANA will visit two car shows in October, the Kentucky Railway Museum in New Haven on October 19 and the Corydon show on October 20. Two additional events were scheduled for November; the Louisville Veterans parade on Saturday, November 9, and the Toys for Tots breakfast on Saturday, November 16.

Membership: The board reviewed two pre-member applications. Fred will scan and make copies for Mark and Roger. Roger also noted that Don Wesner will be joining KYANA as a pre-member.

Clubhouse: There are two member rentals scheduled in June.

Sidelight: Late delivery of The Sidelight was discussed. There were a couple articles that needed to be added late in the editing cycle, which partially led to the June delay. There is also a long delay once the finished version is delivered to the post office. Pat believes she may have a solution and will implement for the July mailing.

It was noted that the meeting spot for the cavern tour on June 23 was not correct. Roger will contact all that have registered and ensure they have the correct meeting location.

Web Page: The web page is updated with recent event photos and current Sidelight copies. Fred reported that the website consultant is working with Fred to remove earlier versions of the website from the web.

Old Business: The 2020 AACA meet dates are confirmed for August 20-22 at Caesars/Horseshoe southern Indiana.

New Business: Nothing to discuss.

There being no further business to discuss, Neil moved to adjourn. Brian seconded the motion and the meeting adjourned at 7:53 p.m. with all in favor. The next KYANA Region meeting will take place at 6:30 p.m. on Tuesday, July 9 at the KYANA Clubhouse.

KYANA Events By: Chester Robertson

KYANA will be cruising up to the Madison Regatta on July 5th for a day of fun. Please read the article inside the issue for complete details.

Later in the month on the 20th Roger Stephen will take KYANA back to Ponder Creek to visit and hear some down home stomping music, The residents enjoy seeing our antique buggies and even getting some buggy rides. Brian Hill is going to put on a similar event out at Oxmoor for the residents at that facility on July 27. We will have food and live music entertainment. You need to make plans to attend all three events this month.

*See you,
Chester*

Sick & Visitation

Patsy Basham

KYANA wishes to express our sympathy to the family of Donna Hartman in her passing. Betty Hardin has been in the hospital 3 times for pneumonia. Please pray that she is over it. This is a thank you from Bob Burke. Thanks for the cards and well wishes after my recent hip replacement. Your kind well wishes were much appreciated. Bob Burke.

Stay well KYANA.- Patsy

Auburn Trip

This year 40 of our members and pre members took the 250 mile trip to Auburn, Indiana and they were treated to a 380 vehicle Grand National AACA show. There were many beautiful cars and motorcycles and all of them had already won both a junior and a senior AACA trophy for the quality of the condition and originality of their vehicle. Four of the show entries were entered by KYANA members.

Some of our members went up a day or two early to visit the fabulous car museums or to attend the spring auction which offered some fabulous deals. There was also a swap meet where at least one of our members found something interesting enough to make a purchase.

Most of the members had arrived by Friday at 5 when we hit the Paradise Buffet to show the locals just how talented we were at dinner plate space management. There were plenty of choices and from the feedback I received, I think we will be attending the buffet again next year. Some of the group ventured back to the auction house after dinner to listen to some music performed by Van Dells. Elvis even made an appearance and impressed some, but not all of his fans.

The forecast for Saturday, June 1 called for rain in Auburn, the same as it had for the show last year. Once again, the weather held off and allowed the show to go on. It was cloudy but comfortable for the day with no rain until after dinner. Jim & Angie Logue showed their 1936 Pontiac, which was the oldest car from KYANA, and received a repeat preservation award. Larry & Ruth Wherthey showed their 1968 Oldsmobile Cutlass and they also received a repeat reservation award. George & Helen Fackler drove their 1980 Cadillac to the show and drove home with a first Grand National trophy and we brought our 1964 Chevrolet and were awarded with a Senior Grand National trophy.

The awards banquet was attended by 730 people which challenged the capacity of the facility and seats were added at the last minute to try to get one for everybody. We dined on a BBQ buffet and the caterer said he could have everyone fed in 25 minutes and had marching orders like the Army to make it happen. He was very close to his prediction and had everyone eating in about 30 minutes. Thankfully he let us move forward with the awards and not practice until we were able to be done in 25 minutes.

All in all, I think it was a good event for most of those who attended. Sandy and I hope that we had it organized to your liking but if you have any comments or suggestions feel free to give us a call or send an email. We look forward to getting another group back to Auburn for the 2020 AACA Spring meet.

REMEMBER:

We would love to hear from you about some of your escapades/experiences with your car. When you submit your article, please send some pictures of yourself and (if possible) the car that you are writing about.

★ UPCOMING EVENTS AT KYANA ★

MADISON REGATTA

OUTING & PARADE

On Friday July 5th Carol and I will be hosting a trip to Madison Indiana to participate in the Madison regatta parade. The parade route is one and a 1/2 miles long and takes approximately 45 minutes to complete.

There will be around 100 entries in the parade. The route takes you directly through the center of Madison and there will be about 10,000 spectators along the way.

The parade participants range from tractors to collector cars, hot rods, trucks and anything in between and some of the unlimited hydroplane racing boats will participate as well.

We will leave Louisville around 11:00 am. The drive takes about an hour and a half. We will have a buffet lunch at the Falls Restaurant at Clifty Inn inside Clifty Falls State Park at 1:00pm. After lunch we'll go to our assigned parking area . From there we can wander around the streets of Madison Indiana . There are many things to do. You can visit the Riverfront, visit the pits, go see the many street vendors for a snack, or go to the numerous shops along Main Street. Around 5 p.m we will assemble back at the parking lot and prepare for the parade.

The cost for members will be \$8 for the buffet and the parade is free. The cost of the buffet for non members will be \$18. The deadline for registration will be June 28th.

Please send your check to Jerry and Carol Bass 40005 Deer Creek Drive Louisville Kentucky 40241.

Notice of Proposed Bylaw Change

IMPORTANT
ANNOUNCEMENT

We have many members that due to age and/or health issues cannot work the swap meet. We continue to need more workers at the swap meet and for the last several years have supplemented KYANA's own workers with a variety of volunteer groups. There are also many potential members that want to join KYANA but cannot due to the current membership cap. Eliminating the cap will help solve both issues.

The original reasoning for the cap was to allow the clubhouse to safely and efficiently accommodate a maximum number of members at our four big dinner meetings each year: January Business Meeting, Swap Meet Planning Meeting, annual picnic, and Awards and Elections. Despite the membership cap being raised several times over the years, we have yet to fill the clubhouse to capacity.

Following several months of discussion on this topic, the Board moved at its April meeting to amend the current bylaws to remove the membership cap. The current KYANA bylaws, Article III, Section 3f states: "all applications of pre-members are to be approved by the board of directors, and a membership limit of 275 persons will be adopted."

The proposed change to Article III, section 3f reads: "all applications of pre-members are to be approved by the board of directors."

Following the required number of notifications, a vote of the full membership on the proposed bylaw change will take place at an upcoming general meeting. The Board welcomes your comments, questions, and feedback regarding this proposed bylaw change.

Please contact any member of the Board to convey your thoughts and opinion.

★ UPCOMING EVENTS AT KYANA ★

BOWMANFEST OCT. 4,5&6

Cars will participate on October 5th and 6th.

Friday October 4th is mainly for veterans, and they will be taking veterans on plane flights, etc.

Saturday and Sunday will have Cars and Planes on display.

Lots of improvements are being made from last year. Parking will be moved from Taylorsville Road over to Dutchmans Lane (by the DMV) with separate access for older cars which will be displayed. Again, we will be matching cars with planes, and there will be a separate area (probably on or near one of the runways) for other cars to be displayed. Like last year, there will probably be a couple car clubs represented and I will try to get an area reserved for KYANA members. I'm working on getting us a tent to congregate, and working on food details (I know that's priority one with this group).

There will be a 5K on Saturday morning, which will take place on the airport grounds (should be a neat venue). A pancake breakfast will follow and they will make sure they can accommodate a large group. Food trucks will be out there on Saturday and Sunday, and other vendors as well.

We are still working on the layout and details but it should be a really good show. Also working where we will be able to leave cars overnight on Saturday if you want to show your car on Saturday and Sunday, and not drive home.

There will be music both days, and there will be an air show on Saturday that should be a big draw.

Fees for Various Activities

KYANA has many wonderful activities, many of which include a fee. In the future, please make sure that you send your check in by the **DUE DATE**. You must register with the Chairperson, and not just show up at the door. Thank you for your help in this matter.

PONDER CREEK EVENT JULY 20, 2019

In case you haven't had a chance to attend this event before, I'll try to explain its location and how to get there. Ponder Creek is a retirement community in Valley Station. If you are coming from Dixie Highway, you will turn on Stonestreet Road, drive about three-fourths mile and turn left onto Valley College Drive. Go about half a block and Ponder Creek will be on the left. There is a big sign out front, you can't miss it.

Ponder Creek will be providing food, drink and entertainment for us and we are asking all our members to drive an antique car so we can show them off to the residents. In the past years some of our members have even given rides to the folks that live there and everyone seems to enjoy it. So, if you think you can make it, we plan to get started around 10:30 a.m. or 11:00 a.m. and end things around 2:30 p.m. or 3:00 p.m. Last year we were having such a great time that several members stayed even later.

This event is free to everyone, but we are asking you to send a check for \$5.00 per member to me by Wednesday July 17th so we will have an idea of how much food to prepare. **ALL** checks will be returned even if something comes up and you can't make it. I hope many of you can make it for this event because it's always a lot of fun.

Remember, all you need is an old car and folding chair. Hope to see you there. If you have any questions please feel free to give me a holler (502-640-0115) and I'll try to come up with an answer.

Please make your check out to KYANA and send it to me at
Roger Stephan
10220 Dodge Lane
Valley Station, KY 40272
