THE SIDELIGHT
OFFICIAL PUBLICATION OF KYSWAP,
INC.
LOUISVILLE, KENTUCKY

Deadline for articles is the 18th of preceding month in order to have it printed in the following issue. Articles from the membership are welcome and will be printed as space permits. Members may advertise at no charge, either for items for sale or requests to obtain.

Editorials and/or letters to the editor are the personal opinion of the writer and do not necessarily reflect the official policy of the club.

From the President Fred Trusty

It looks like everyone received the Sidelight on time again last month so it's a safe assumption that our theory with the Post Office was correct. Thanks to Sandy Joseph for stepping up to the plate to put each issue together in a short amount of time. Thanks again to Pat Palmer-Ball for picking it up at the printer and taking it to the main Post Office on Gardner Lane. For the time being, board members will take turns picking it up at the printer and mailing it each month. If anyone else wants to volunteer for this task, please contact myself or Pat.

Fall is my favorite time of year. The leaves start to fall and so does the temperature. I've found that I get very little work done on my old car projects in the summer months but very soon my part time jobs of cutting grass and being "pool boy" at my house will end, which might leave more time to work on an old car project. Fall is also time for the KYANA Region AACA elections. A lot of us have been on the board for quite a few years now and I think it's time for some fresh ideas and new faces on the board. If anyone is interested in running for one of the officer positions or one of the two director slots, please contact any of us on the board for more information or, send your resume directly to the editor no later than October 18th to be printed in the November issue.

Summer is great but the recent hot weather and too much work has left me feeling down. Maybe some cool weather, cool car shows, and cool fellowship with some of you will lift my spirits.

October is full of events: Bowmanfest, Ponder Creek Chili Cook off, Corydon on the Square Car Show, and KY Railway Museum car show. Each of these events has the two main ingredients: food and old cars. so I hope KYANA can have a good showing at each one. Remember, we are an antique car club so don't hide 'em, drive 'em.

Fred

KYANA EVENTS BY:

Chester Robertson

We start the month of October off on the 5th & 6th by going back to Bowman Field for the Bowman Fest. The air show will be held on Saturday afternoon. The following week a large group of KYANA members will be making their annual pilgrimage to Chocolate Town, PA. Here, one will meet many old friends to visit with. Over 250,000 antique car enthusiasts from all over the world will roam the one square mile area. You'll also locate that part you must buy and may never use. If you walked the complete show you would walk about 40 miles.

On Friday, November 18th, Roger Stephan will take us back to Ponder Creek for a Chili Cook Out. The next day KYANA will visit the Railway Museum for a car show down in New Haven where many will ride a train that is usually robbed. You will probably be safe with many KYANA members carrying iron. Thanks to Mark Kubancik for sponsoring this event. The very next day KYANA will visit the Corydon Fall Show on the town square in Corydon, IN. This event is sponsored by the Wilkins family. Yes, this is three event in three days, but KYANA members are tough. This is a great time of the year for touring, don't get left out.

Chester

PRAYERS, THANKS AND CONGRATULATIONS

Larry Wherthey wanted to say: Many thanks to all my friends in KYANA for the very welcome fruit basket. My latest replacement part (left hip) and I are doing fine and in fact it's going better than I had expected. Another week or so till I can drive again, however.

We received a thank you card from Jim and Mary Godbey and it reads: Dear KYANA Friends, the fruit basket was wonderful. Your prayers were even better. Jim and Mary Godbey.

Betty Hardin is back in the hospital with lung infection again. Please keep all of these in your prayers.

Stay well Kyana, Patsy Basham

The next KYANA Region meeting will take place at 6:30 p.m. on Tuesday, October 15 at the KYANA Clubhouse. The meeting date is postponed one week due to Hershey.

THE GREAT PONDER CREEK CHILI COOK OFF

Friday, October 18, 2019
Free to all Kyana Members

*To show their appreciation for the car shows we have had there over the years, the good folks at the Ponder Creek Retirement Village have invited all of us to a big Chili Dinner complete with a band and entertainment and best of all it's free. If possible I would like to see our club members drive an antique car, but it's not necessary. This event will be held rain or shine. So if it does rain, I won't be driving my model T, but I will still be there for dinner. We plan to get started around 11:00 am and leave around 3 or 4 pm, but you can stay as long as you want. There is talk about a bonfire and making some smores later in the day. Just give me a phone call and let me know you're coming and how many will be with you. All you need for this event is a folding chair and an empty belly. I think this will be a fun day for all of us so please try to make it. This event is on a **Friday** afternoon as part of their fall schedule of events.*

Ponder Creek Retirement Village is in Valley Station. If you are coming out Dixie Highway, turn left off Stone Street and go about a half mile, turn left onto College Dr. and the retirement village is half block on the left. Please call me if you have any questions. Try to make it.

Roger Stephan (502) 640-0115 P.S. Please give me a count of persons coming

Time to "Pay Your Dues" ...

In an effort to avoid late processing of dues applications sent to the AACA national headquarters, we are kindly requesting that all KYANA members submit their dues payments to the Secretary on or before December 1, 2019. In recent years, KYANA's large bulk dues mailing has arrived at AACA headquarters along with many other region and chapter dues, leading to long delays processing memberships. Receiving your dues payment before December 1 will allow the AACA office staff more time to process our memberships. Thank you in advance for your cooperation.

Please send your dues payment of \$50.00 (\$10.00 for KYANA + \$40.00 for AACA National) to Secretary Mark Kubancik at the address below. Make your check payable to KYANA.

When submitting your dues payment, please take a moment to complete the dues submission form in this month's Sidelight. Many of you have changed email addresses or have new mobile phone numbers. Providing us with your updated contact information allows the Club to contact you with health updates regarding fellow members and notify you in the event of special meetings, events or event schedule changes. Again, thanks for your cooperation completing the dues form.

Contact me with any questions regarding your dues submission.

KYANA 2019 Adult Christmas Party

Hosted by Hunt and Pat Palmer-Ball

December 1, 2019

Location: Audubon Country Club, 3265 Robin Road, Louisville KY

Time: 1:00 PM – 4:00 PM

MERRY CHRISTMAS to All of KYANA Early! HO! HO! HO!

The Adult Christmas Party is heading our way. This is a special time of year that our club members love to come together and visit with each other and reflect on all the good times we have had during the year. We will gather for Social Hour to visit, swap stories and just enjoy the Holiday starting at 1:00 p.m. Dinner will begin approximately at 2:00 p.m. going until 4:00 p.m.

It is also a good time to share our bounty with those people less fortunate than we are. KYANA is so blessed for what we have and what we are able to do. Again this year we are asking all of our members to be generous in bringing can goods for Dare to Care. This is the 4th year for our Charity to help those in need. In 2017 we donated 828 pounds of food and 2018 we exceeded that number with 1100 pounds of food. We hope that everyone feels good about our success and hope everyone will be generous like last year and maybe we can even exceed what we have done.

Examples of the 10 most needed items: peanut butter, soup, canned fruit, beans, rice, tuna, fruit juice, pasta and canned vegetables.

This year's cost will be \$33.00 per person. When you check in you will get your check back (whether or not you donate food). Just to let you know why the increase in the cost per person is to make sure the cost of the meal is covered if for any reason you cannot attend once your reservation is made.

Suggested DRESS CODE! Ladies should dress appropriate for what you would wear to church or a special event (no jeans please). Men should wear dress pants (Please no jeans), A dress shirt with collar and sport coat (ties would be optional). This is our once a year dress up event.

So please come and play Santa to the needy, visit with your friends and have a wonderful meal. See you in December.

Deadline for reservations is November 25, 2019.

Send reservation deposit of \$33.00 per person (Make check payable to KYANA) to:

Pat Palmer-Ball

5504 Felker Way

Louisville, KY 40291-1812

Would you like to start receiving the Sidelight via email???

If so please email: sidelighteditor@gmail.com

Just think about all the bragging that you can do!!

Historic Plates

By: Maureen Vannatta

I am writing this article to help everyone understand about displaying an authentic Kentucky License Plate on your historic vehicle. Basically you will need to title and register your vehicle that is 25 years old or older and purchase a Historic Plate. This plate must be carried in your vehicle at all times along with the registration or current tax receipt. If you have located a Kentucky License plate that is a plate from the year of your vehicle, you can display that plate on your vehicle. I recommend that you carry a copy of the KRS regulation (attached below) with you in case you are stopped by a law officer questioning your plate. This law is not known by all law officers here in Kentucky or out of state.

If you have any questions or need help with a vehicle just give me a call or stop by the County Clerk's Office on Westport Road and ask for me. This is the branch that I manage and I will be happy to help you with any issues.

Happy Motoring,
Maureen

186.043 Special license plates for historic motor vehicles -- Permanent registration.

(1) In enacting this section, it is the intention of the General Assembly to recognize the special value of historic vehicles to the Commonwealth, and also to recognize that historic vehicles, because of their limited use and easily identifiable characteristics, do not require the same degree of regulation as other vehicles.

(2) As used in this section, unless the context otherwise requires, "historic vehicle" shall mean all motor vehicles twenty-five (25) years old or older, which are used primarily for exhibition in shows, parades, tours, and other special uses, but not for general transportation.

(3) Historic vehicles shall be registered and licensed by the Transportation Cabinet. The registration shall be in lieu of registration and license required by KRS 186.020 to 186.270.

(4) Upon payment of the fee established in KRS 186.162 and an application in accordance with regulations issued by the Transportation Cabinet, the secretary of the Transportation Cabinet shall issue a certificate of registration and two (2) special license plates of a different color and design than the regular license plate, which, in the judgment of the secretary of the Transportation Cabinet, will best advertise, popularize, and promote the Commonwealth of Kentucky. These plates, besides the word "Kentucky" shall have the words, "Historic Motor Vehicle" inscribed in a conspicuous manner and carry no year date. These plates shall have a serial number beginning with the number "100" and continue in a consecutive numerical sequence.

(5) Historic vehicles may display an authentic Kentucky license plate, twenty-five (25) years or older, or a reproduction of such a plate, if the historic motor vehicle plate and the registration receipt are kept in the vehicle at all times.

(6) The registration license and license plates of historic motor vehicles shall be valid without renewal as long as the vehicle is in existence. If the historic motor vehicle is sold, the registration and license shall be assigned and transferred to the new owner on the records of the Transportation Cabinet upon receipt of an application in accordance with regulations issued by the cabinet.
