THE SIDELIGHT
OFFICIAL PUBLICATION OF KYSWAP,
INC.
LOUISVILLE, KENTUCKY

Deadline for articles is the 18th of preceding month in order to have it printed in the following issue. Articles from the membership are welcome and will be printed as space permits. Members may advertise at no charge, either for items for sale or requests to obtain.

Editorials and/or letters to the editor are the personal opinion of the writer and do not necessarily reflect the official policy of the club.

From the President Fred Trusty

Again this year, Bowman Fest (formerly the Aviation Heritage Festival) was a big success. The B-25 bomber and P-51 Mustang were back again, plus there were biplanes, helicopters, a B-17 bomber, and a Grumman TBF Avenger that offered rides. The Avenger was a folding wing torpedo/bomber with a crew of three; pilot, turret gunner, and radio man/bombardier/vertical gunner. This is the same type of aircraft that George H. W. Bush flew and was shot down in the Pacific during WWII. The first 5 planes were produced in May of 1942 and in June all 5 plus the prototype were part of the Battle of Midway Island. Unfortunately, all 6 planes were shot down but none the less, the Avenger proved to be one of the most rugged planes of the war. It not only was the heaviest but also had the most horsepower of any single engine aircraft of WWII.

Last year I think I told you about my ride in a WWII era T-6 trainer. This year I experienced the 1900 HP of the Avenger from the radio man's seat just behind the pilot. Sitting on the parachute and strapped in tight during a 60 degree 2-G turn is beyond expression. At least no one was shooting at us. I can't imagine being 18 or 19 years old knowing that you only had a 50% chance of surviving. The WWII generation was truly, "The Greatest Generation."

I have to admit that I was a little disappointed, though. They wouldn't let me have any ammunition. Maybe next year I'll bring my own torpedo.

Back on the ground, a little bit about the AACA show and swap meet in Hershey. We had beautiful weather all week but for some reason attendance at the swap meet was down. I talked to a lot of vendors and most said the same thing. But back at space GDC 31 sales were booming. My pickup truck bed was full of thousands of dollars' worth of rare and valuable items (junk) to sell and I sold everything except 7 items. I put a sign on the table that says, "Prices are marked on each item. Put the money in the passenger side window." I leave the window down about an inch with a sign that has an arrow pointing up that says, "Put money here." By doing this, I can walk around the swap meet and find more valuable stuff to buy. I've been doing this for at least 5 years and have never had anyone take something without paying for it. In fact, someone keeps putting pennies in the window. That's how I ended up with a total sales figure of \$113.66 which is a record for me.

The show on Saturday morning had just over 1200 vehicles registered. People line the streets just to watch the cars driving onto the show field. One of the rarest and one of a kind vehicles was an unrestored 1928 Packard roadster with a 1930 Curtis 5th wheel camper. The fifth wheel was in the trunk. The trunk lid was removed, of course. The best part is the owner drives it regularly.

An update on the new AACA Library and Headquarters building. The building had been gutted and renovations will start in the next few weeks. This building is next to the show field and swap meet so it couldn't be in a better location. The library is experiencing tremendous growth with several large historically significant collections coming in the next several months. Most members don't realize but the AACA Library houses literature for about a dozen other marque car clubs. It is truly the premier automotive library in the world and has provided valuable information to thousands of people. The library staff has devised a method to digitize old literature to make it readily accessible to people electronically. This is an ongoing process and the new building will help speed things up with some space to work. If it was a printed automotive related document, the AACA library probably has it.

This is a 10-million-dollar project and so far we have raised 7 million dollars but we seem to have hit a plateau. All 21 AACA directors have made a contribution to the best of their ability. Most members with the ability to make a big donation (\$100K or more) have done so with generous contributions so now we need help from the average AACA member. If you are over the age of 70-1/2 you are required by the IRS to annually take what is called RMD (required minimum distribution) from your IRA. You have to pay tax on that money if it's in a traditional IRA. Since AACA is a 501(c) 3 you can make a deductible donation directly from your IRA to the building fund which means the tax owed on the RMD is cancelled by the tax deductible donation. If every member made a \$50 donation, the building would be paid for. For more details, call me or AACA at 717-534-1910. This project is a defining moment in the antique automotive hobby.

I wanted to let everyone know that Joyce Purdon has moved to Oregon to be with family. For several years. Joyce was the clubhouse rental chairperson and we wish her all the best in her new home.

We still have several events coming up in the next couple of months so I look forward to seeing everyone. If you know anyone that has a torpedo for sale I'm in the market for one but I only have \$113 to spend. Unless it's a TBF Avenger, keep the rubber on the road and the shining side up.

Fred

KYANA EVENTS BY:

Chester Robertson

With five events in the month of November, members of KYANA are thinking about making several late fall tours. On November 9th we will meet at the Ole KYANA Home for a Toys for Tots breakfast. There will be several hundred toys brought in for the event. Thanks to the Vannatta family for organizing this event. On November 11th, the Veterans Day Parade is being held in downtown Louisville. Please call me for information about the parade. We need your help at the KYANA clean-up, especially with the awards & elections event happening the next day. We will have another great meal prepared by the ice cream lady. Here you get your awards, elect new officers, and get the best food around. Get your info in to the Fosters now.

The final event of the month is Light up Louisville on the 27th. Light up Louisville is an exciting time especially for our youth and old alike. Thousands press toward our cars hoping to get a better look at our old buggies. The real truth is, they want to catch a piece of candy tossed into the crowd. Call Alan Vannatta for more information. Don't put the buggies up we still have touring to do.

Chester

PRAYERS, THANKS AND CONGRATULATIONS

This month Kyana wishes to express our sympathy to:

-  Renders Family in the death of Dick's brother.
-  Betty Haley is in rehab after pneumonia and other health issues.
-  Paul Clark is in rehab after breaking several vertebrae in his back.
-  Betty Hardin is doing much better.

Stay well KYANA and stay warm Patsy Basham

USED PRINTER CARTRIDGES

Betty Haley is collecting used printer cartridges for a Christian school. You can bring them to any meeting and give them to Betty. Thank you so much for your help.

Would you like to start receiving the Sidelight via email???

If so please email: sidelighteditor@gmail.com

One of the big advantages to this is that you will receive the Sidelight quicker than your friends who get it by mail!!

Just think about all the bragging that you can do!!

From The Secretary Mark Kubancik

KYANA REGION MEMBERSHIP MEETING

September 22, 2019

Location: KYANA Clubhouse

KYANA Region Board members present: Brian Hill, Pat Palmer-Ball, Chester Robertson, Roger Stephan, and Fred Trusty

KYANA Region members present: 88 members of voting age were in attendance. Event sponsor has list of member names.

Meeting called to order @ 1:32 p.m.

New Business: Discussed the proposed bylaw change to remove the membership number cap. Fred asked if there were any questions. With no questions from the floor, a vote was taken via show of hands. One member opposed, all other members present voted in favor of the change.

Tom McCarty is making shirts for car owners with a picture of their car. One sided t-shirts are \$20 and two sided are \$25.

With no further business to discuss the meeting adjourned at 1:41 p.m.

Minutes respectfully submitted by Sandra Joseph.

KYANA REGION BOARD MEETING

October 15, 2019

Location: KYANA Clubhouse

KYANA Region Board members present: Mark Kubancik, Pat Palmer-Ball, Chester Robertson, Roger Stephan, Fred Trusty, and Alex Wilkins. Brian Hill and Neil White were not in attendance.

Meeting called to order @ 6:37 p.m.

Secretary's Report: Alex moved to accept the September report. Pat seconded the motion and the report was accepted with all in favor.

Treasurer's Report: Mark made a motion to accept the September report. Alex seconded the motion and the motion carried with all in favor.

Activities: An ad for the Veteran's Day parade was not in the October Sidelight but it will run in the November Sidelight.

Chester and Mark agreed that they, their wives, and family members would assume sponsorship of the Children's Christmas Party so that it will continue to delight both young and old. Mark is reaching out to the magician to schedule his show the day of the party, December 14.

Membership: Roger updated the board on the event attendance of the remaining active 2019 pre-members. All except one have met the requirement and the remaining pre-member is planning to attend upcoming events to reach his requirement.

There are several pre-member prospects for 2020. Roger and board reviewed paperwork and sponsors for these potential members. Mark has some edits to perform on the new membership forms and he will then provide the updated forms to Roger.

Clubhouse: Nothing new to report.

Sidelight: With Sandy Joseph's assistance with editing and with various board members handling mailing, The Sidelight continues to arrive on schedule and on budget.

Web Page: Mark will forward Chris Mueller's write-up about and photos from Bowman Fest to the webmaster.

Old Business: Nothing to report.

New Business: The board discussed upcoming Region elections. Resumes' for those running for the two open board seats and for the club officer positions are needed to run in the November Sidelight. We are still in need for someone to step forward and run for one open board seat.

The AACA National needs a region to sponsor a Reliability Tour (pre 1916 vehicles) in 2021. Fred, Chester, and Alan Vannatta are planning to support this event.

Fred stated that Region volunteers are needed to man the KYANA Region booth at the 2020 AACA Annual Meeting in Philadelphia. Since KYANA is hosting a meet in 2020, we are able to set up a table for free at the Annual Meeting to promote the event.

There being no further business to discuss, Pat moved to adjourn. Chester seconded the motion and the meeting adjourned at 7:52 p.m. with all in favor. The next KYANA Region meeting will take place at 6:30 p.m. on Tuesday, November 15 at the KYANA Clubhouse.

Toys for Tots

Our annual "Toys for Tots" Breakfast will be held at the club house on Saturday, November 9th from 9:00 - 11:00 am. We are all familiar with the great work that "Toys for Tots" does in our community.

Please purchase some toys and come and join us.

We will be serving a free breakfast for all. This event is open to everyone, not only Kyana members. Bring friends and family to join in on the event. If you are members of another club, please let them know about the date. We are hoping to have participation from several area clubs. The more the merrier!

If you have any questions, just give us a call: 502-447-8228

See you soon,

Alan & Maureen Vannatta

VETERAN'S DAY PARADE

The Veterans Day Parade is on Monday November 11. We need a large turnout of antiques for this event, we will meet at the Walnut Street Church parking lot between Oak and St. Catherine Streets on 2nd Street. I am not sure about the exact time so just call me and I'll give that information out when I receive the time. Please call 502 619 2916 to register.

Thanks Chester

FALL CLEANUP

SATURDAY, NOVEMBER 16 @ 9AM at the OLE KYANA HOME
Must sign up to have lunch
Call Chester at 502 935 6879 and leave voice mail.

AWARDS AND ELECTIONS

Sunday, November 17 @ 2:00
at the OLE KYANA HOME
Please send \$6.00 per member to:

Jesse & Beverly Foster
P.O. Box 238
Fairdale, Ky. 40118
502 299 4862

Deadline to register is Tuesday Nov. 12, 2019
This is a member's only event

LIGHT UP LOUISVILLE PARADE

November 29th 2019
Come join the fun.
Need cars. It will be in the evening.
Times and location will be determined at a later date.
Contact: **Alan Vannatta at 502-447-8228 or 502-445-3810**

CHILDREN'S CHRISTMAS PARTY

The Children's Christmas Party will be held on Saturday, December 14 at 12:00.
We will have lunch at noon followed by a magic show with Uncle Red, and of course a visit from Santa.

PLEASE NOTE THE FOLLOWING:

Deadline for gift ideas is December 1
Need three \$25 gift ideas for member's children
Grandparents need to bring the gift
For more info please contact
Mark & Pat Kubancik (502 797 8555) or
Jenni Mulrooney (502 935 0249)

KYANA 2019 Adult Christmas Party

Hosted by Hunt and Pat Palmer-Ball

December 1, 2019

Location: Audubon Country Club, 3265 Robin Road, Louisville KY

Time: 1:00 PM – 4:00 PM

The Adult Christmas Party is heading our way. This is a special time of year that our club members love to come together and visit with each other and reflect on all the good times we have had during the year. We will gather for Social Hour to visit, swap stories and just enjoy the Holiday starting at 1:00 p.m. Dinner will begin approximately at 2:00 p.m. going until 4:00 p.m.

It is also a good time to share our bounty with those people less fortunate than we are. KYANA is so blessed for what we have and what we are able to do. Again this year we are asking all of our members to be generous in bringing can goods for Dare to Care. This is the 4th year for our Charity to help those in need. In 2017 we donated 828 pounds of food and 2018 we exceeded that number with 1100 pounds of food. We hope that everyone feels good about our success and hope everyone will be generous like last year and maybe we can even exceed what we have done. Examples of the 10 most needed items: peanut butter, soup, canned fruit, beans, rice, tuna, fruit juice, pasta and canned vegetables.

This year's cost will be \$33.00 per person. When you check in you will get your check back (whether or not you donate food). Just to let you know why the increase in the cost per person is to make sure the cost of the meal is covered if for any reason you cannot attend once your reservation is made.

Suggested DRESS CODE! Ladies should dress appropriate for what you would wear to church or a special event (no jeans please). Men should wear dress pants (Please no jeans), A dress shirt with collar and sport coat (ties would be optional). This is our once a year dress up event.

So please come and play Santa to the needy, visit with your friends and have a wonderful meal. See you in December.

Deadline for reservations is November 25, 2019.

Send reservation deposit of \$33.00 per person (Make check payable to KYANA) to:

Pat Palmer-Ball

5504 Felker Way

Louisville, KY 40291-1812

Any questions please call 502-693-3106 or 502-491-1563

Time to "Pay Your Dues"...

In an effort to avoid late processing of dues applications sent to the AACA national headquarters, we are kindly requesting that all KYANA members submit their dues payments to the Secretary on or before December 1, 2019. In recent years, KYANA's large bulk dues mailing has arrived at AACA headquarters along with many other region and chapter dues, leading to long delays processing memberships. Receiving your dues payment before December 1 will allow the AACA office staff more time to process our memberships. Thank you in advance for your cooperation.

Please send your dues payment of \$50.00 (\$10.00 for KYANA + \$40.00 for AACA National) to Secretary Mark Kubancik at the address below. Make your check payable to KYANA.

When submitting your dues payment, please take a moment to complete the dues submission form in this month's Sidelight. Many of you have changed email addresses or have new mobile phone numbers. Providing us with your updated contact information allows the Club to contact you with health updates regarding fellow members and notify you in the event of special meetings, events or event schedule changes. Again, thanks for your cooperation completing the dues form.

Contact me with any questions regarding your dues submission.

Mark Kubancik, Secretary

11403 Saratoga Ridge Dr

Louisville, KY 40299-8313

Phone: 502-797-8555

Email: mark.kubancik@gmail.com

BOWMAN FEST 2019

What a unique event with perfect weather this year! The Bowman Field Airport celebrated its 99th year with Bowman Fest on Saturday, October 5th. It started with a 5K run on the runway race that had approximately 600 participants.

Last year saw KYANA cars placed among some of the airplanes on static display, but this year, due to a larger number of airplanes arriving, and the amount of early foot traffic on Saturday morning (provided by the runners), we were able to display our old jalopies on the runway. What a unique and one in a lifetime occurrence to see about 25 beautiful show cars being escorted down a runway while vintage planes were taking off and landing around them. KYANA showed up with a very diverse group of cars that was very well received by attendees. Our location on the runway was easy and on the autos and easy on the large number of spectators that went by. The show directors estimated about 10,000 people attended on Saturday and a little less on Sunday. Plus, our runway location made it easy to leave the airport at any time.

Lynn Harpring summed things up well by stating, "Bowman Fest was a great event. In addition to the many fine KYANA people with interesting, rare and beautiful autos, the airplane exhibit of antique and unusual planes was a real crowd pleaser as well as the other ancillary attractions. It was impressive to note the large number of attendees, from oldsters like me to children in strollers and all others of all ages in between".

We had a great lunch on both days, with Saturday being pizza from Bearno's and with Sunday being homemade sandwiches from Morris Deli rig down the road. Plus, the organizers placed a 20ft. by 20 ft. tent for us to use during the festival.

There are some great pictures of the BowmanFest.com website and on the Facebook page for the Friends of Bowman Field. One of the neatest moments of the event was when the young lady with Down's Syndrome commented on how she liked Bennie Coleman's 1955 Ford Thunderbird, and he proceeded to take her for a trip on the runway in his car. She will remember that for the rest of her life!

After speaking to the event organizers, they were very impressed with the foot traffic and the positive comments that our show cars generated. They said that they will make the cars more prominent in next year's event so you won't want to miss this show next year. This will also be the 100th anniversary of Bowman Field. It should be a great event.

Chris Mueller

Bowman Fest Sponsor

PLEASE SEE THE NOMINATIONS BELOW FOR OUR ELECTIONS MEETING

Fred Trusty **Candidate for KYANA President**

I've been a member of KYANA for 19 years, served as secretary for 7 years, vice president for 2 years, president for the past 7 years, and Swap Meet Mark Off chairman for the past 14 years. I am an AACA National Director and chairman of the AACA original car class (HPOF) for the last 4 years. My professional background is engineering and business management.

We are nearing the end of our 6-year journey to be fully compliant with current IRS regulations which means we will no longer have to keep looking back over our shoulder. There will be a lot of administrative work to do this coming year but the good news is that it will save us a lot of money each year and make things easier to manage.

Next time you are at a Kyana dinner, take a look around the room and ask yourself; what is the average age of this club? Although KYANA's membership total has remained fairly constant, the average age of the club keeps increasing. The antique car hobby in general has been in a membership decline for several years now and we don't want to follow that trend. The best way to do that is to recruit new members and the best way to meet potential members is to drive our cars and be seen.

As I have said in every Kyana resume, I will keep the best interest of the entire club in mind when making decisions for Kyana. I look forward to driving my antique cars to as many events as possible and making new friends along the way.

Chester Robertson **Candidate for KYANA Vice-President**

I have been in KYANA for 39 years, and still get excited about each new year. This year I would like to see KYANA make longer trips and have more overnight ventures. In the past I have been in charge of activities of both the Charity and the KYANA Region. In just a short time we will only have one club, KYANA Charity Region. All KYANA members will be happier with only one club and especially your board. This year we need lots of input from each of you to help make 2020 the best year yet for activities. There are many things out there we haven't done. Just this year we traveled to Madison, Indiana to participate in the parade and to watch boats qualify for the famous Madison Regatta race. I ask for your vote and support in making the new year a fun one. The 85th AACA Southeastern Fall Nationals is being hosted by our club. Let's all plan to come out and have fun.

PAT PALMER-BALL **Candidate for the KYANA Treasurer**

Hunt and I have been members of KYANA since 2008 and have enjoyed being part of this wonderful club (family). I have been serving as Treasurer since 2015 and am again requesting your vote for Treasurer. I have spent many hours working with the C-7 board as well as taking care of the club's accounts and providing the membership with detailed financial reports so that everyone is aware of KYANA's assets. My goal is to make sure our club will benefit us all going forward into future years.

My work experience includes 27 years at GE which included working in Accounts Receivable, GE's only cashier and working in the IT department. I have also worked (additional 15 years) at PNC/Bank of America/First Data Merchant Services managing a staff of IT professionals.

I ask for your vote so that I may continue helping our club benefit our members.
Thank You.

Mark Kubancik
Candidate for KYANA Secretary

Pat and I have been KYANA members since 2005. We enjoy the many activities available to us as KYANA members and also enjoy the company of the many friends we have made in the Club. I began serving the KYANA Region as Secretary late in 2010 and am again running for this position for 2020.

As your Secretary, I attend all Region Board and general membership meetings and prepare meeting minutes following each meeting. All meeting minutes are published in the Sidelight to keep you – the members at large – informed of your Board's activities. In addition, the Secretary collects the annual KYANA and A.A.C.A. dues and submits the updated roster and required dues to the A.A.C.A. National. It is a pleasure to serve such a great Club that returns so much back to its members and the community. Your thoughtful vote for me as Secretary is very much appreciated and valued.

BRIAN HILL
Candidate for KYANA Board Member

I have been a member of KYANA for 14 years. Ruth and I have enjoyed the many activities that been available to us as KYANA members. We have enjoyed the many friends we have made in the club over the years and have enjoyed sponsoring many club events. We have been a Swap Meet vender door chairman for 13 years. I have enjoyed the last 10 years serving on the board while working along the side of the other board members. My responsibilities are to keep up with the club house making sure that the club house is ready for use. I would like your vote of confidence to continue to serve you for another two years as your board member. Thank you.

BRIAN KORESSEL
Candidate for KYANA Board Member

My name is Brian Koressel and my wife Shelly and I have been members of the car club for a little over 13 years. We love antique cars and really enjoy getting to know the other members as well as spending time with them. We really enjoy the KYANA functions and try to take part in as many outings and overnights as we can so that we can deepen the friendships. We own two antique cars which are a 1927 Chevy convertible and 1983 Mustang convertible. We do have a few other cars that we are holding for antiques like a 2000 BMW Z3, 1997 full body Cadillac, and a 1999 Celica convertible. As you can tell, I love antiques.

I am running for Kyana board member. I would like to take a more active role in helping with the car club and furthering its progress. I have been a businessman for most of my life, about thirty three years. I was an engineer and a supervisor for years at Toyota. I then operated my own company for the last 20 years which developed farms into subdivisions, built residential homes, commercial buildings and operated a decorating center. I feel the responsibilities that the position requires are within the scope of my experience and within what my time will allow in order to do a good job for the club.

I feel that if the club thinks I would be qualified and make a good fit to become a board member it would further aid me in getting to know more club members and develop even stronger relationships. Hopefully I will be able to bring fresh ideas to add to the current leadership to benefit all the members and the club as a whole. I look forward to serving you and the rest of the club and ask for your support and vote.

Your fellow member
Brian Koressel
