FROM THE PRESIDENT FRED TRUSTY

I think everyone has heard me talk about my 1935 Packard and all the problems I have had. Well, the saga continues. On the way to the picnic, we were driving up Preston Highway just before Fern Valley Rd. and it overheated so I pulled into the Napa Auto Parts parking lot. Thinking that the thermostat might be stuck, I tapped on the housing a few times with a wrench. I started it and the temperature gauge went back down to where it should be so off, we went down Hurstbourne Pkwy. but we didn't make it very far when all of a sudden, the engine just died and wouldn't restart. At least we got to ride in a chauffeur driven Ford F-450 tow truck with air conditioning all the way home. Needless to say, we were very late for the meeting but the good news is there was still food left. I'm happy to report that all of the proposed changes to the bylaws were adopted. Congratulations to everyone that guessed correctly and won the jars of candy and snacks and to Glenda Clark who won the 50/50 drawing.

I just returned from the AACA Eastern Fall Nationals in Greenville, SC. The show was held on the Benson Campus of Greenville Technical College. The Greenville Region had a much larger venue scheduled on the grounds of the BMW plant but it was cancelled by BMW just three months ago. I find it amazing that they were able to start completely over and do it in less than 3 months. The Hampton Inn was the host hotel and it opened one short week before the show. That is cutting it close. I'm pretty sure I was the first guest to use my room. Unfortunately, the planned tour of the BMW plant was cancelled at the last minute by BMW corporate due to concerns about Covid. The weather couldn't have been better for the 200 cars registered for the show. Mark and Pat Kubancik received their first level award (Oval) for their 1986 Pontiac Parisienne in the Historical Preservation of Original Features and I received my second level award for my 1994 Mercury Grand Marquis. Yes, that's a mouthful to say so, for short, we call it HPOF. It's the original class, unrestored and not modified. Except for maintenance and preservation, just like they rolled off the assembly line.

I'm sad to report that we lost KYANA members, Jim Cornish to a heart attack and Jesse Foster to the Covid virus. Jim joined KYANA in 1992 and Jesse in 2012. Please keep their families in your prayers.

We have a full schedule of events coming up in October. Unfortunately, I will miss the St. Francis Mission Driven Car show on October 9th as several KYANA members will be in Hershey, PA for the AACA Fall Nationals and swap meet. You've heard me say it before, but if you've never been to Hershey, you're missing an amazing event. Think of the KYANA Swap meet on steroids. There is almost a square mile of vendor spaces plus the car corral with hundreds of cars for sale.

It was great to finally have a dinner at the clubhouse again. Let's hope and pray that this ugly virus will go away and we can get back to having fun with the old car hobby. There's still time to have some fun in twenty-one.

Fred

FROM THE SECRETARY MARK KUBANCIK

KYANA REGION BOARD MEETING

September 14, 2021

Location: KYANA Clubhouse

KYANA Region Board members present: Brian Koressel (phone), Mark Kubancik, Chester Robertson, Roger Stephan, Fred Trusty and Alex Wilkins.

KYANA members present: Ruth Hill

Meeting called to order @ 6:33 p.m.

Secretary's Report: Chester moved to accept the August report, Alex seconded the motion, and the motion carried with all in favor.

Treasurer's Report: Pat was unable to attend but provided a copy of the Treasurer's report for review. Mark made a motion to accept the August Treasurer's report. Chester seconded the motion and the motion carried with all in favor.

Activities: Plans for the forthcoming KYANA picnic were discussed including the schedule, logistics, and activities. The board agreed to charge the member cost for prospective members invited to attend the picnic. We are expecting approximately 85 members to be in attendance.

Mark shared with the board an update on the October Corydon car show on the downtown square. He contacted Corydon Visitor Info and they have been unable to contact the Hoosier Knobs Car Club that supports the show. As a result, the show is not currently on their calendar. Due to the uncertainty surrounding this show, it will be removed from the KYANA activity calendar.

Discussion about the January 2022 World of Wheels show ensued. Jerry Bass is leading an effort to have a KYANA booth that will include four representative KYANA member vehicles. The board agreed to give Jerry the approval to proceed with plans on behalf of KYANA. Mark will liaison with Jerry.

Pre-member Shawn McDonald and his employer, Ford's Kentucky Truck Plant, are primary sponsors of the JDRF (Juvenile Diabetes Research Foundation) car show at the Louisville Water Tower. The board agreed to sponsor a fixed-amount donation to JDRF in lieu of show registration fees. Mark will discuss this support with Shawn and notify KYANA members accordingly via email.

KYANA received an email from Louisville East Post Acute Nursing and Rehab center regarding a mid-week car show in early October. Fred will contact the center and once a date and time are determined Mark will send an email blast to all members and draft an article for the October Sidelight.

Membership: Several new members have joined recently. Mark shared copies of the forms with Roger. Fred supplied Roger and Mark with 2022 complimentary AACA membership forms.

Clubhouse Rentals: The clubhouse neighborhood HOA is conducting their annual homeowners meeting on Saturday morning, Sept. 25. Several KYANA Region and Charities board members are planning to attend.

Sidelight: The September Sidelight was very well done and arrived in a timely manner.

Web Page: Ken Martin's article about his '79 Buick is the feature story on the home page of the website. Mark provided several event photos to the webmaster for uploading.

Old Business: Nothing to report.

New Business: Plans for the annual elections and publishing of candidates was discussed.

There being no further business to discuss, Mark moved to adjourn. Chester seconded the motion and the meeting adjourned at 8:00 p.m. with all in favor. The next KYANA Region meeting will take place at 6:30 p.m. on Tuesday, October 12, 2021, at the KYANA clubhouse.

KYANA EVENTS BY CHESTER ROBERTSON

October is a very busy month for KYANA. The first full week of the month, many of the KYANA members will head off to Hershey to enjoy the most exciting event in the land. They have around 12,000 spaces waiting for you to explore for that certain item you may need. If you have a suitcase full of money you can search the Car Corral which has many acres waiting for you to buy a new buggy to bring home. The last day of the event is the AACA Eastern Fall Nationals with over a dozen KYANA judges working with hundreds of judges from across the country to select the best of the best for awards on Saturday night. During the week we all stop by Chocolate World to enjoy some chocolate and bring back bags of candy home to help us gain back some weight lost from all that walking.

KYANA will motor out to the St. Francis Car Show on October 9th hosted by Roger Stephan. This show always has some outstanding vehicles. On October 16th Neil White will host the Kentucky Train Museum Show. This is a great drive into Central Kentucky and a fun day looking and riding the trains of yesterday. On October 23rd, the Toys for Tots breakfast hosted by the Vannatta family is a fun morning. We continue to bring more toys each year for the kids to have a great Christmas. Let's make this the best year yet. Maureen will have a great breakfast that day. On November 6th we have the Veterans Day Parade. Please see the ad in this issue.

See you this Fall! **Chester**

PRAYERS, THANKS AND CONGRATULATIONS

✚ KYANA extends its sincere sympathy to Beverly Foster and the family in the death of Jesse.

✚ KYANA extends its deepest sympathy to Mary and Rick Cornish and family in the death of Jim.

✚ Howard and Betty Hardin have been down awhile but hopefully will be back to good health soon. Prayers for all of Kyana are needed because it does not hurt to pray for our friends.

As we all get a little older, we may experience health issues that takes us down for a while, but hopefully we will all get our health issues taken care of and get back to enjoying the many events with our Kyana friends.

Happy Fall Y'all Patsy

Young Hearts Theatre proudly presents ***Cabaret Trifecta!*** It will be held on **October 7-10** at the Ursuline Arts Center on Lexington Road (Sacred Heart campus). ***Cabaret Trifecta***, a musical in two acts, is a melodious mixture of vocals and fancy footwork, interspersed with delightful, light-hearted skits. The action takes place in a glamorous night club that harbors a racehorse bookie taking secret bets. Songs include favorites such as: "Tiny Bubbles", "Luck Be A Lady", "I Saw The Light", "That's Entertainment," plus many more. Dance routines include clogging to "Forever in Blue Jeans", along with the fabulous Rockerettes!

So come on out and enjoy the show! All shows are at 2:00 p.m. This show is filled with music, mirth, dance, and just plain fun! There is no cost for tickets; however, donations will be accepted during intermission. (And rumor has it that one of our own KYANA members will be seen on stage - again!) So please come and enjoy the show. (Ursuline Arts Center does ask that we wear masks.)

Hope to see you all there!

ST. FRANCIS OF THE FIELDS CAR SHOW

For those of you who can't get away for the AACA Fall Meet in Hershey this year, there is a great car show going on right here in Louisville on **Saturday, October 9th**. It's the St. Francis of the Fields Annual Car Show located at 6710 Wolf Pen Branch Road. There will be hundreds of cars at this event every year. Our members and pre-members do not pay a registration fee to enter their car because KYANA always gives the church a large donation. If you would like to have lunch there on the grounds send me a check for \$5.00 and when you arrive, I'll give you a \$10.00 food voucher. Please make your check payable to KYANA and send them to me no later than October 7th. You will not be able to buy a voucher at the car show as they need to be ordered in advance. I've been to this car show many times and I highly recommend it to all of you.

KENTUCKY RAILWAY MUSEUM CAR SHOW

The Kentucky Railway Museum Car Show will be **October 16th** in New Haven, KY. KYANA will pay the registration fee of \$20 for each old car. Food and drinks will be available for you to purchase at the show. Please send a \$5 check made out to KYANA, to **Neil White 3512 Echo Valley Circle, LaGrange, KY 40031 before the 9th of Oct.** All checks will be returned at the show.

The show will have food, museum tours, door prizes, music, 50/50 raffle and photos available. All show entrants can take a \$10 per person round trip train ride to Boston. Many awards will be given out around 5PM. All "best of" winners will receive free photos. Please see kyrail.org for more information.

We will meet at 7:30AM behind the Chick-Fil-A parking lot on Bardstown Rd. just south of exit 17 of the Gene Snyder Freeway (I-265). We will leave at 8:00AM for the museum going south on Bardstown Rd. Route 31E all the way to Bardstown. In Bardstown we will turn at the first right in the traffic circle onto 31E. After passing two red lights turn LEFT (south) on 31E to New Haven. The museum is on the left side of the road at the railroad tracks. The drive to the museum from Chick-Fil-A takes about an hour.

Bring out your old car, your chairs and have a great time, I know I will.

BLUEGRASS WORLD OF WHEELS- JANUARY 2022

After several years without an annual custom car show in Louisville, event organizers are again planning such a show for January 2022 at the Kentucky Expo Center. The show promoters are accepting applications for car club displays and Jerry Bass of KYANA is working to assemble a display for our club. Jerry has prior experience in organizing such displays for the Cougar club at the Carl Casper shows.

Club displays are limited to only four vehicles and both the vehicles and the display theme must be reviewed and accepted by the show promoters. Jerry is working on both the list of vehicle candidates and the booth theme. If you are interested in displaying your vehicle at the Bluegrass World of Wheels, please contact Jerry Bass to discuss. He will tell you the information he needs to include your vehicle on the short list.

LAKE FOREST RETIREMENT HOME SHOW

The weather couldn't have been better for KYANA's event at the Lake Forest Retirement home event on September 12th. The members really made the resident's day. Hopefully we can do this event again next year. Here are some pictures taken that day.

NATIONAL NIGHT OUT AGAINST CRIME

The Annual "National Night Out Against Crime" celebration for 2021 took place all across America on Tuesday evening, August 3. During National Night Out (NNO) residents turn on their porch lights, lock their doors and go out to meet their neighbors in the name of crime prevention. Louisville Metro Police (LMPD) organized several NNO events around Metro Louisville, including one at Jefferson Mall on Outer Loop that involved LMPD's Sixth Division who is responsible for patrolling the neighborhood in which our clubhouse resides.

Through KYANA's outreach to LMPD's Sixth Division, we were invited to participate in this year's NNO event at Jefferson Mall. A total of 38 KYANA members attended with their cars on a beautiful August evening, with LMPD very grateful for the showing. KYANA wishes to thank Jerry Bass for spearheading this event that we hope will become an annual activity.

TIME AGAIN TO "PAY YOUR DUES"...

In an effort to avoid late processing of dues applications sent to the AACA national headquarters, we are kindly requesting that all KYANA members submit their dues payments to the Secretary on or before **December 1, 2021**. In recent years, KYANA's large bulk dues mailing has arrived at AACA headquarters along with many other region and chapter dues, leading to long delays processing memberships. Receiving your dues payment before December 1 will allow the AACA office staff more time to process our memberships. This is especially critical this year as some AACA staffers are still working limited office hours due to pandemic restrictions. Thank you in advance for your cooperation.

Please send your dues payment of \$55.00 (\$10.00 for KYANA + \$45.00 for AACA National) to KYANA Secretary Mark Kubancik at the address below. Make your check payable to KYANA.

When submitting your dues payment, please take a moment to complete the dues submission form in this month's Sidelight. Many of you have changed email addresses or have new mobile phone numbers. Providing us with your updated contact information allows the Club to contact you with health updates regarding fellow members and notify you in the event of special meetings, events or event schedule changes. Again, thanks for your cooperation completing the dues form.

Contact me with any questions regarding your dues submission.

PLEASE SEE THE NOMINATIONS BELOW FOR OUR ELECTIONS MEETING

For KYANA Region President: There is one candidate for this position

MARK KUBANCIK

Pat and I have been KYANA members since 2005. We enjoy the many activities available to us as KYANA members and also enjoy the company of the many friends we have made in the Club. I began serving you as the KYANA Region Secretary late in 2010 and am now running for Region President for the 2022 term.

As your President, I intend to build upon the solid foundation my predecessors and colleagues have helped to create. Focus areas for me as President will be to continue to expand the initiatives to bring new members to KYANA and encourage all members, both new and experienced, to take an active role in supporting our club and its activities.

It is a pleasure to serve such a great Club that returns so much back to its members and the community. Having recently retired now provides me the time necessary to support KYANA at a higher level. Your thoughtful vote for me as President is very much appreciated and valued. **Mark Kubancik**

For KYANA Region Vice-President: There is one candidate for this position

Chester Robertson

KYANA has been fortunate to continue with our three organizations: Derby City Charities Chapter, KYSWAP Inc., and KYANA Region, all a part of AACA during the pandemic. We had planned for years to survive if we didn't have a swap meet, and it really happened this year. We cut back on expenses in all areas possible, but we still had a good year. Even with the pandemic still being a reality, our club has been able to have some fun events because the members all followed the safety protocols. I am running for your VP to lead the planning of more activities in 2022 and keep us safe in the coming years. I need help from all the members to have the best selection of activities in 2022. I again ask for your support and vote in making the new year a fun one. Thanks, **Chester**

For KYANA Region Secretary: There is one candidate for this position

ALEX WILKINS

I have enjoyed these past several years in our club, and it has been my pleasure to serve on the Board of Directors. Rather than running again for Director, I have decided to run for Secretary. As an engineer by training and having branched out into the business management side of company affairs, I understand the importance of documenting and maintaining an operation such as our club. In November I would appreciate your vote for me as Secretary. Thank You, **Alex Wilkins**.

For KYANA Region Treasurer: There are two candidates for this position

BETHANY COATES

I joined KYANA in 2020 but have attended events for a while now. I worked at the last Swap Meet and loved every second from start to finish. As part of the younger generation of Club members, I am interested in becoming more involved and learning what it takes to keep us going.

My professional background is in business administration. I have worked at University of Louisville for over 10 years in various departments. I worked with grants, contracts and gift accounts, reconciling department accounts and credit cards, audited accounts within the various departments, created and monitored multiple budgets, calculated timecards and prepared and entered payroll, and helped employees with their health insurance, FMLA and worker's comp claims. I also have experience with small business record keeping, accounts payable and receivable, and compiling year end reports.

I may not know all the ins and outs of car parts but I can compile a mean looking spreadsheet. I am excited about the future of the Club, contributing what I can, and learning a whole lot more.

I hope you will consider voting for me so that I can give back in the best way I know. Thank you.

Bethany Coates

BRIAN KORESSEL

Dear KYANA Club Members; This is Brian Koressel, and I am currently running for treasurer of the KYANA Region C7. I have been in the club for about 17 years and have been on the board of directors for the last two years. I love antique automobiles and have certainly enjoyed taking part in car club activities with each of you over the years. I have a 1927 Chevy convertible and several other antique cars that I run around in. I know most of you and love being a part of the KYANA Car Club. I decided to run for treasurer when Pat decided to step down as treasurer from this particular duty. I feel with her help in transitioning and the help of the other board members I could be an asset to assisting the club in its future goals. I am asking for your vote for the C7 treasurer and promise to do my best in accomplishing the duties of this post. Thank you and see you at the elections. Your fellow club member **Brian Koressel**.

For KYANA Region Director: There are 4 candidates for this position

1. ROGER STEPHAN

I've been a member of KYANA's Board of Directors for two or three terms and your Membership Chairperson for most of that time. Some of you are probably wondering what my qualifications are to have this position. First of all, I'm a high school graduate. I don't remember the exact year that I graduated but I do recall most all of the dinosaurs had died off. I also own a 1958 Smith-Corona typewriter that I have recently purchased a new ribbon for. And regardless of what you may have heard, I am no longer using the telegraph to communicate; a short time ago I purchased a flip phone. It's a little tricky to operate, but Chester has been giving me lessons and I'm starting to get the hang of it. I guess my best qualification is being an old man with nothing else better to do and lots of time to do it. Fact is, I LOVE what I'm doing because it keeps me active in our Club and give me a chance to meet many of you. So, I am asking for you vote for Director of KYANA the club I truly care for. **Roger Stephan**

For KYANA Region Director (continued):

2. WAYNE HARTMAN

My name is Wayne Hartman. At present I work for Algood foods as a maintenance mechanic. Before that I worked for JBS for 29 years as a maintenance mechanic, maintenance supervisor, and assistant plant engineer, and at one time was also a chief union steward. As such I have negotiated union contracts between the company and the union and handling grievances. I have always had an interest in working on cars, I have helped on restoring a few cars with friends, and at present have a few car projects of my own going on. I love working on old cars, boating, riding motorcycles and the outdoors.

I would appreciate your consideration in voting for me for the C7 Director position.
Thank You

3. Tim Truax

Education

1993 University of Louisville Bachelor of Science. Middle School Education
1998 U of L Master's Degree
2007 Rank 1 Indiana Wesleyan University

Work Experience

1976-1993 Napa Auto Parts
Assistant Manager, Manager
1993 -2017 Jefferson County Public Schools: Teacher, Team Leader, SBDM Council, Budget Committee,
Principal Selection Committee, PTSA Board

Charitable organization positions

Fairdale Christian Church: Board of Directors
Treasurer, Missions Committee Chairman
Transportation Committee Chairman
Bluegrass Motorcycle Riders: Treasurer
Fellowship of Christian Athletes: Volunteer, fund raiser sponsor

I have been a member of KYANA since 2016. I have always been interested and involved with Non-Profits and Clubs. Many of my previous experiences were directly involved in reviewing and funding charitable organizations. I feel that my education and experience will be an asset to the Kyana Board and respectfully ask for your vote.

Thank you

4. Chris Mueller

Own a 1971 442 convertible and a 1982 Corvette.

KYANA member with my Father and Mother, Frank & Judy Mueller.

APOLOGY

Dear KYANA Members,

Saturday, September 18th at the KYANA picnic, I made a terrible mistake when handing out the money for the 50/50 drawing. I, without malice, put Glenda Clark on the spot to donate her winnings to Ronald McDonald House. After contemplating what I had done, I gave Glenda her share of the 50/50, she won \$147.00.

First, I want to sincerely apologize to Glenda. What I did was totally uncalled-for and should have never happened.

Secondly, I want to apologize to the KYANA members for my lack of consideration for Glenda's feelings nor those of the membership.

I am truly sorry and I guarantee I will never make that error again.

Please accept my apology,

Pat Palmer-Ball
