THE SIDELIGHT OFFICIAL PUB-
LICATION OF KYSWAP, INC. LOUISVILLE,
KENTUCKY

The deadline for articles is the 18th of the preceding month to be printed in the following issue. Articles from the membership are welcome and will be printed as space permits. Members may advertise at no charge, for items for sale or requests to obtain. Editorials and/or letters to the editor are the opinion of the writer and do not necessarily reflect the official policy of the club.

The Sidelight is automatically delivered to all members by email each month.

Anyone wishing to receive a paper copy via US mail may email the editor (preferred) at sidelighteditor@gmail.com, or call Kim Steinke (502) 836-0154.

Service. A relatively simple word, and like many in the English language, it has multiple meanings. Service can be both a noun and a verb, each with several meanings in those categories. To those of us in a classic car club, the word “service” conjures up images of the routines many of us undertake to keep our vehicles running smoothly. Like our cars, the KYANA club has to have the service of members to survive and thrive. The point of discussing the word “service” pertains to member service to the club. Thanks to the impactful efforts of Membership Chair Carol Bass as well as other KYANA members, we have a bumper (pun intended!) crop of new members. KYANA is one of the largest Regions within AACA, and we are growing while most car clubs are shrinking. That said, if you take notice you will see that many of the same names perform club service, either by serving on the board or by sponsoring events. Serving your club as a board member is open to any member in good standing. As a relatively new

member, perhaps you think you don’t have the tenure necessary to serve. With new members come new ideas, better methods, and a fresh perspective, so your offer to serve will be welcomed and encouraged. Next month’s Sidelight will include our annual call for candidates for Region officers and board members. There will be openings to fill on the Region board as two current board members, including the Secretary, have informed the board that they will not seek reelection. Each person stepping down has valid reasons for reaching this decision, and we thank them for their service to the club. Meanwhile, I ask you to please consider running for a seat on the Region board. More information will appear in the October Sidelight. Contact me if you have questions about the necessary level of commitment.

Perhaps board service is not for you. You joined the club to have fun with your old vehicle and fellow club members. To do so, however, requires a club member to suggest an activity and sponsor that activity. Maybe you know of a great local car show that you would like KYANA to attend as a club event. Or you may know of a great restaurant an hour or two outside the Metro, and driving there on back roads would be a great Sunday cruise. Whatever it may be, we need some new ideas for club activities

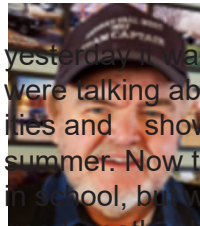

and members to sponsor the club's involvement. If you think sponsoring an event is only for an experienced club member, read further in this Sidelight. You will see KYANA is attending a new car show for our club, the Howard Steamboat Museum show in Jeffersonville, IN on September 6. Reagan Lanum contacted club members and raised his hand to sponsor KYANA's attendance at this show. Reagan will be guided through the sponsorship process by experienced club-

members. What's so special about Reagan sponsoring an event? He just graduated high school in May and will soon be attending IU-South-east as a freshman, taking a full class load toward his college degree. Let's all turn out to the Steamboat Museum show and support Reagan. There are many opportunities in this Sidelight to drive your car and enjoy club fellowship, including two nursing home visits, the KYANA picnic, and the popular St. Francis car show.

Remember...it's supposed to be fun!

KYANA EVENTS BY CHESTER ROBINSON

Chester Robertson

It seems like yesterday it was June and we were talking about all the activities and shows available this summer. Now the kids are back in school, but we still have lots of good weather left and activities planned for the next 3 months. There is nothing better than seeing KYANA fill the parking lot and "show field" with their cars at the clubhouse. There are LOTS of opportunities to do that in September - the 3rd annual KYANA Charities Car Show on Labor Day, the KYANA picnic on the 14th, and Cars & Coffee on the 20th. There are

other shows listed here, too, so you have lots of opportunities to get your car out and enjoy it - even if it isn't a sponsored KYANA event, we want you to know about it!

One of the great things about our club is our ability to plan a good time that also includes giving back to the community. I hope you enjoy sharing that way, too, as the Ronald McDonald house is always so thankful for the generosity of our club members. Whether you bring cleaning supplies or snack items, the RMH and its residents appreciate your efforts to make them more comfortable while they are here with a sick child.

You can also give back by displaying your car at Vivera or Louisville East Post Acute.

FROM THE SECRETARY, ALEX WILKINS

KYANA Region Board Meeting Minutes – Aug 8, 2025

Location: KYANA Clubhouse

KYANA Region Board Members Present: Alex Wilkins, Mark Kubancik, Tim Truax, Stan Gaus, Brian Koressel

KYANA Region Members Present: Ned & Kim Steinke

Meeting called to order at 6:30 pm.

Secretary's Report: Stan Gaus moved to accept the August report, Tim Truax seconded the motion. The motion carried with all in favor.

Treasurer's Report: Alex Wilkins moved to accept the August report, Brian Koressel seconded the motion. The motion carried with all in favor.

Activities: The board discussed the upcoming picnic on Sept 14 at 4pm.

Membership: Mark Kubancik received an updated list of pre-members who have completed their requirements for full membership status.

Clubhouse Rentals: Mark Kubancik reported that it will be necessary for the Club to require building renters to show proof of insurance. An alternative option of the Club carrying a modified insurance policy will be investigated.

Sidelight: Kim Steinke reported that work has been going well with the new software. The software change will result in a new and improved look to The Sidelight (maybe in this very issue that you are reading!!)

Website: Mark Kubancik reported on a modified KYSWAP advertisement on the webpage.

Facebook Page: Nothing new to report.

Old Business: Kim Steinke reported on her research for a text messaging service as another method of communication to the membership. The service provider offers a 14-day free trial. The board approved the 14-day trial period.

New Business: Mark Kubancik discussed adding an electronic payment option for events.

The board discussed the upcoming Awards and Elections. Tim Truax will collect résumés again.

A motion to close the meeting was made by Tim Truax and seconded by Brian Koressel. The meeting adjourned at 7:15 pm. The next meeting will be held at the clubhouse on Sept 16 at 6:30 pm.

KYANA COMMUNITY

Marilyn Clayton (husband, Anthony) passed away on July 26th. Our thoughts and prayers are with her family. KYANA sent a peace lily to her celebration of life as well as to Janice Koonter's. Both of these ladies will be missed.

Chester Robertson is in the hospital. Please keep him in your thoughts and prayers.

Other members are anonymously dealing with illness, surgeries and personal challenges. Please include them in your prayers, and as always, give your smiles and kindness generously. Someone who needs it will feel better.

Nancy Ray

You know that KYANA Car Club sends flowers when a member passes away? Did you know the club will send a nice fruit basket when you are released if you or your spouse is hospitalized (minimum 2 days inpatient)? Please let me know when these events occur so I can ensure they are sent. If you are aware of a member dealing with illness, surgery, or the loss of a family member, please don't hesitate to contact Nancy Ray at (502) 931-9433 via text or phone call.

CAR DISPLAY at LOUISVILLE EAST POST ACUTE FRIDAY, SEPTEMBER 19th

The staff at Louisville East Post Acute has again invited KYANA to display our antique vehicles at their facility on Friday afternoon September 19 (rain date is following Friday, September 26). If you can attend and brighten the day for the patients, residents, and staff, please plan to arrive around 1:30 p.m. and expect to stay until around 3:30 p.m.

The name and address of the facility are listed below. Please RSVP to Mark Kubancik if you plan to attend. Hope to see you there! Louisville East Post Acute, 4200 Browns Lane, Louisville, KY 40220 Mark Kubancik Email: mark.kubancik@gmail.com Phone: 502-797-8555

Wyatt Eddy was a 16 year old antique car enthusiast who was killed in a surfing accident 3 years ago. The Sauerbeck family DriveIn, 3210 D.W. Griffith Lane, LaGrange, KY, is hosting his family, some of the people he saved with his organ donations, his truck, Elmer, and a short film . It promises to be a good time, with a band, a screening of the film, and car and truck enthusiasts gathering for a cause. Tickets are just \$20 per car, Friday Sept. 5th at 7pm.

HOWARD STEAMBOAT MUSEUM CAR SHOW

SEPTEMBER 6th

8th Annual Car Show Fund Raiser

  **and**  

Saturday September 6th 2025
Rain Date Sunday 7th of September 2025
From: 10:00am – 3:00pm

On the historic campus of the Howard Steamboat Museum
1101 E. Market Street Jeffersonville, IN. 47130

Fun Activities for the whole family! Free admission to the event for spectators! Live music, 50/50 drawing, Raffles, Food, Craft Beer, Craft Seltzers, and Wine available for sale through Pearl Street Tap House and you get to pick who takes home a trophy! Tours of the Howard Mansion at a reduced rate of \$5.00 per person
To Register a car \$18.00 before the 31st of August 2025 or \$20.00 at the door on the day of the event!

Classes: Modern American, Classic American, British, European, Asian, Corvette, Mustang, Diamond in the Rough, and Other.

Be sure to visit the SEEK-owned Mc Donalds restaurants conveniently located at 1212 West Broadway, 2720 West Broadway, and 1245 Bardstown Road in Louisville to thank them for their gracious sponsorship of our fund raiser!

Best in class and Award of Excellence awards will be judged by public vote. Voting tickets can be purchased on the day of the show. Additional awards (Captain, Pilot, Chief Engineer and First Mate) will be judged by members of the Howard Steamboat Museum Board of Directors. The decisions of the voters and judges are final. This is a fund raising event and proceeds are used for the continued operation of the Howard Steamboat Museum.

New KYANA Activity Howard Steamboat Museum Benefit Car Show - Saturday, September 6

One of our newest members, and likely the youngest, Reagan Lanum, is sponsoring KYANA's participation in the 8th Annual Howard Steamboat Museum benefit car show on Saturday, September 6. The museum borders E Market St in Jeffersonville, IN, along the mighty Ohio River. Show cars park on the generous grass-covered grounds and shady areas surrounding the museum. Food & drink is available for purchase and there is a very active silent auction that benefits the museum. Attendance at this show grows every year and it has become quite a popular show with a diverse turnout of collector vehicles.

Any KYANA members that notify Reagan prior to the day of the show will have their \$20 show registration fee paid for by KYANA. Please contact Reagan if you plan to attend.

Reagan Lanum

KYANA PICNIC SUNDAY,
SEPTEMBER 14th, 4 pm

WHEN: September 14, 2025 at 4:00 pm – ?

WHERE: KYANA Clubhouse, 3821 Hunsinger Lane

WHAT: A time of fun to enjoy fellowship with all our members and enjoy some great food. The meal will consist of pulled pork and pulled chicken, baked beans, sides, and dessert. Picnic will be held rain or shine; if it rains, we will eat inside.

Please bring some folding chairs to relax outside. Driving an old vehicle will add to the fun so lets fill the lot with our fav cars (weather permitting).

Note: KYANA Charities will conduct a very brief business meeting and KYANA Region will take a vote from members present regarding lifetime membership for those with 50 years of tenure.

As in prior years, we want to again help with donations for Louisville's **Ronald McDonald House**. Last year, the response was SENSATIONAL! Please, let's try to equal or exceed the giving. We would encourage everyone to bring something to contribute to their needs. Some items that are always needed are: individually packaged snacks (chips, cookies, brownies), baking mixes (cake, cookie, brownie), icing, and assorted breakfast cereals. They always need cleaning supplies (dishwasher detergent, paper towels, toilet paper, liquid bleach, glass cleaner, laundry detergent, and garbage bags – (10, 13, 30, and 55 gallons). Please be

generous and lend a helping hand to those families that are away from home taking care of their sick children.

Please **send your payment to arrive by September 10** to make sure we order the correct amount of food for everyone. We certainly don't want to turn any of our members away hungry because we didn't know who was attending. Please make checks out to KYANA and send \$8.00 per member (children under 12 \$5.00) to:

Pat Kubancik

11403 Saratoga Ridge Dr Louisville, Ky 40299

Any questions or to let her know "the check is in the mail" call or text **Pat Kubancik 502-445-4993**.

If you text, make sure to include your name and the number of adults and children who will be attending the picnic and when you mailed your check.

KYANA VISITS VIVERA SENIOR LIVING
JEFFERSONVILLE, INDIANA FRI-
DAY, SEPTEMBER 26th

The staff at Vivera Senior Living of Jeffersonville (IN) has invited KYANA to display our antique vehicles at their facility on **Friday afternoon September 26**. If you can attend and brighten the day for the residents, please plan to arrive around 10:00 a.m. and expect to stay until around 2:00 p.m. Lunch will be served to anyone showing a vehicle. The name and address of the facility are listed below. Please RSVP to Mark Kubancik if you plan to attend.

Hope to see you there!

Vivera Senior Living of Jeffersonville, 2105 Hamburg Pike, Jeffersonville, IN 47130

AACA GRAND NATIONALS at DAYTON OHIO

It was a warm weekend filled with plenty to see and do in Dayton, OH. In all, 17 KYANA members attended this outing. While we hoped to have more KYANA members attend, the members who came had a great time together. On Friday night we all had dinner together at a local restaurant. It was so much fun to sit back and listen to all the stories that were shared. It is so great when we can all have fun and learn new things about each other. Of course, the food was also a highlight. At different times over the weekend everyone enjoyed some time in the Air Force Museum which has free admission. If you are ever in Dayton you need to visit this amazing museum. Just be prepared for its vastness!! The Grand National Show this year featured 200 plus pristine cars, including three from KYANA. Hunt and Pat Palmer-Ball brought their 67 Shelby GT-350 and received an AACA pewter plate for their repeat Senior Grand National award. John Flechler brought his 1997 Z-28 Chevrolet Camaro convertible and also received a repeat Senior Grand National award. Jim and Sandy Joseph brought home a 2nd Grand National award with their 1936 Buick Century convertible. Several of the KYANA members also participated by judging at the show. Will Willhoite received his Senior Master Judging award for having 50 judging credits.

It was a fantastic event and venue for the show. It was unbelievable how organized the event was and how many trailers they were able to park right on the blacktop next to the museum.

They even had four planes that some of the cars parked under. Those who were able to attend enjoyed friends, food and cars, 3 KYANA staples. We hope we can get more members to attend the next show.

Some of the KYANA gang out to dinner at Grand Nationals in Dayton, OH>

LMPD 6TH & 7TH DIVISION NATIONAL NIGHT OUT

Thank you KYANA for an excellent turnout again this year. There were lots of LMPD displays, and other vendors with goodie bag items to be handed out, but the KYANA display of antique cars is considered to be an important display for the community

KYANA had 17 cars and trucks there and were happy to participate to help strengthen relationships between neighbors and law enforcement, and promote public safety.

many people had to pull off the road and let the storm pass. There isn't a picture to record it, but apparently one KYANA member (last name Bass) didn't get back to their truck before the onslaught and had to shelter in a porta-potty!

This was KYANA's 4th year to participate. The weather cooperated until the very end when the sky opened up and

THE ORIGINAL (FIRST) MODEL A FORD WAS...

RED

The first Ford Model A was produced RED ... not the mythical black two decades prior to the more paint many people think of as famous MODEL A FORD of 1927-1931. the color choice of early Fords.

In 1896, Henry Ford built the Quadricycle, a four-wheel gasoline engine powered vehicle. It was said to be his very first automobile. Ford advertised it as, "the most

A few years later, the original, first Ford Model A emerged as Ford Motor Company's initial automobile. It was built in Detroit between 1903 – 1904. This initial, Model A Ford, precedes the second Ford Model A version, for which production only began much later in 1927.

This first, earliest Model A Ford had a two-cylinder, horizontally and centrally mounted, engine with 8 HP coupled with two forward speeds and a reverse planetary gear transmission (like the Model T). They were manufactured as two-seater runabouts or a four-seat tonneau, with rubber or leather tops as optional. Many of the parts were fabricated by the Dodge Brothers, who built components then assembled by Ford (and also for Oldsmobile). It weighed just over 1,200 pounds with a 72-inch wheelbase and could reach nearly 30 miles an hour. Stopping was achieved by a rear wheel brake.

The original, standard, Ford factory Model A stock color, paint job initially available was

This Model A was a short-lived, yet successful and lucrative car, despite overheating and transmission slippage. Nevertheless, Henry Ford advertised it as, "the most

1903 Ford Model A Runabout

reliable machine in the world".

To remedy cooling and reputation problems, a newer car, the Ford Model AC (or sometimes called the Model C) came out already in 1904. This one was equipped with a faster, 10 HP engine. For better temperature control, this car employed a much bigger, elaborate radiator, that was more effective, and it was made to be visibly obvious. These cars were marketed in standard black or red colors.

The Ford Model B, also from 1904, was a fancy touring car. The

Model B was Ford's first car with a front-mounted engine, behind the radiator (4-cylinders and 24 hp engine).

Most were painted black, but offered also in gray, green, and/or blue, etc. Model D or Es seem never to have existed.

1903 Ford Model A Four-seater Tonneau

Lots of Ford models preceded the Model T and several of them were offered to the public in lettered versions. Following the Model B, were Models F, K, N, and R, etc. The "S", was an upgraded version of the popular "N", and the immediate predecessor to the famous Model T. The "T" was made from 1908 - 1927 and initially available in various colors, including blue, gray, green, and red. However, between 1914 and 1925, the Model T came more famously ONLY in black lacquer, but later other colors like maroon or green were optional.

The much more famous, second Model A Ford emerged in 1927. People know a great deal about them, and also note that the bodies and even the wheels were marketed in several different paint colors.
