balance and seeming lack of , centering and displacement of center, movement from the piece to one's heart, transformation, movement, stasis, arrival, completion, yearning, search, emptiness, nothingness, renewal, rebirth, passage, unity, force, power, awakening,

being, non-being- being and non-being embrace by being, embrace, rejection, acceptance, standing, falling, hope, faith, intrusion, infusion, reversal of the outer to the inner and back again, sharing, separation, expression, negation, space, fullness, pregnancy, moments of grace and beauty.

I'm not interested in ART- only the language of everyday existence- expansiveness, grace within a seeming discord and awkwardness.
