

Why hand sewn?

As you might expect, we firmly believe that hand sewn curtains are best.
And there are good reasons....

Here's one way to spot the difference between
hand sewn and machine sewn curtains.

To find out why this happens and for other useful tips on curtain making,
click [here](#) to download our quick guide to curtain making and finishing.

If you have a project where only the best will do,
we believe it has to be hand sewn.

Why not ask us for a quote on your next job?
You may be pleasantly surprised...
