Dear Friend

If you can believe it, this is our 7th Season!!! We are so grateful to God that he was able to put this organization together and continues to provide the needs each and every year. So, Thank you for your interest in Big Maple Farm's Natural Therapies, Inc. and we hope that you choose to become a participant. It is necessary to have the enclosed forms completed and returned to us as soon as possible. There may be a waiting period to get a scheduled session time depending on openings. We will be in touch with you. The enclosed forms are to be returned at least seven days prior to the start of lessons.

At the end of the Packet you will find a letter to provide to your health care provider. Please note that no lessons can commence without this form on file. Please know that all information is treated as highly confidential.

A registration fee of \$30.00 is payable **once per calendar year**. The fee is to be submitted with the participant's application in order to participate in lessons, and it is indicated on that form. The registration fee is used to supplement current administrative costs and program insurance.

We ask that you please read this form closely as several changes have been made in order to ensure the continued health of our horses. Additional programs, layout of programming, and payment has all changed as well for the 2023 season. These changes will help with the flow of programming, bookkeeping, and the continuation of services provided by Big Maple Farm's Natural Therapies. If you have any questions or concerns please do not hesitate to reach out to Amanda.

If you have not visited the program or are new to the program, please call for an appointment at 814-335-0804. Please do not wait for us to call you. We look forward to meeting and working with you.

Sincerely,

Amanda Balon

Programming Changes for Health of Horses

2022 was a rough year for our horses and their health and over the last several months we have worked with other centers and looked at different ways to continue to provide quality services to participants, yet continue to care for our current horses. We ask that all participants read and understand the following changes that are being put in place.

Should our horse situations change we can always revisit this policy.

Acknowledgment of reading is required by signature.

Due to the age and health of our horses, Big Maple Farm's Natural Therapies is implementing a weight limit policy. At this time participants weighing over 125 pounds are not able to ride. Big Maple Farm's Natural Therapies realizes the benefits of horses and therefore is implementing a new horsemanship on the ground program where participants will be able to still have many of the benefits of horses, yet challenge the horse and participate through Liberty horse lessons. (Liberty horse lessons help the participant and the horse build a trusting relationship through connection. Horses and participants work together freely to accomplish skills such as walking, backing up, laying down, making circles, etc as a team. We will be showing some videos on our social media as examples. Be sure to stay tuned)

Participants can also work with mini horses as well instead of large horses in the liberty programming. Mini horses are able to learn to jump, liberty skills, trail courses, and more.

Please know this decision did not come lightly, but in order to continue to provide for our aging horses and our participants in the best way we needed to visit new options. We hope that you understand and we are excited to offer this type of programming and are looking forward to all the new things many of our participants learn.

Season Schedule and Payment Options

This year Big Maple Farm's Natural Therapies, Inc. will be working in lesson groups. This type of scheduling will allow for breaks for our horses to regroup and rest as well as give our volunteers and staff a chance to catch up and prepare for the next session group.

Sessions will be grouped as follows:

Spring: April 1st - May 27th

Summer: June 11th - August 19th

Fall: September 10th - November 4th

These dates are subject to change based on weather but we tried to break them down as best we could into 8 Week long sessions. We are hoping we could start earlier than April 1st but we will keep all our participants in the loop as to what we think we can do based on weather. We greatly appreciate your understanding in this matter.

Due to this new scheduling we would also like to run our payments differently. Many times we are at the arena and it's hard to remember who is paying and who is not, so things get missed. Sessions must be paid in full before they start. So if you are participating in our Spring session you must have payment by April 1st. Payment will depend on the length of lesson and type of lesson. If this is an issue due to financial concerns please reach out to Amanda as Scholarship opportunities are available.

Cost of lessons for the 2023 season will be as follows for all lesson types as they are all therapeutic in nature (Mini horse, liberty, or therapeutic riding):

½ hour = \$20

1 hour = \$30

Books in the barn = \$1

Horse Yoga = \$5/per session

We know that weather is going to be a factor as it always is, but please bear with us as we have included a make-up day in the schedule to try and get as many people in each week. We are grateful you are here and look forward to working with you during our season! We hope that these changes are easier on you as a family and you are able to benefit from our program.
