Cornhole Game Rules:

A cornhole board's surface should be 2-foot x 4-foot.

- There should only be 8 cornhole bags with 4 bags of each color.
- Each cornhole bag is 6 inches by 6 inches and holds one pound of corn.

Player rules:

- Bags must be pitched underhand.
- Feet must be behind the line at the front of the board when the bag is released.
- The team/player must stay in their lane (left or right) of the board for the whole game. Changing sides is not permitted.
- Two teams of two people or partners play at one time.
- Each set of cornhole partners will have 4 bags of one color.
- All 8 cornhole bags begin at one end.
- Partners shall stand at opposite cornhole boxes on the same side, from the perspective of a third person, and face each other, so there is no advantage given to one team.
- A coin flip will decide which team has honors in round one.
- One of the partners on the team who has honors will begin the game by throwing a cornhole bag at the opposite cornhole box.
- The next round starts when the other cornhole player on the team, which has honors, throws their first cornhole bag.
- A cornhole player may throw from anywhere behind the front of the cornhole box they are throwing from.
- Once the game starts, it continues by alternating throws between the two opponent players until all 8 cornhole bags have been thrown.
- If a cornhole bag hits the ground then bounces up onto the board, that bag shall be taken off the playing surface.

A foul occurs when any of the following happens:

- A cornhole player's foot goes past the foot foul line, termed a foot foul.
- A player goes out of turn.
- The player who caused the foul loses the throw when the foul happened, and the bag will be removed if it landed on the playing surface.

The score shall be taken after all cornhole bags have been thrown for a round. The team that reaches 21 or more points first wins! Points shall be given as follows:

- 3 points for a cornhole bag that goes through the hole.
- 1 point for a cornhole bag that is on the playing surface.
- 1 point for a cornhole bag that is hanging into the hole.
- 1 point for a cornhole bag that is hanging off the edge but not touching the ground.
- 0 points for a cornhole bag that is on the playing surface, but also touching the ground.
- 0 points for a cornhole bag that is hanging off the front edge and is resting on a cornhole bag that is on the ground. If the cornhole bag on the ground can be removed without making the hanging bag fall to the ground, then 1 point is given.

How the final score is calculated:

- The cornhole team with the highest round score adds the difference of the two scores to their game score.
- The cornhole team who wins the round is given honors to throw first in the next round.
- If both cornhole teams have the same round score, then the game score stays the same and honors stays with the team who had it the previous round.
