

# Road Safety

Ward 11

MISSISSAUGA

MISSISSAUGA

## Traffic Services and Road Safety

- Crossing Guards
- Traffic Operations
- Road Safety

## Road Safety

- Automated Speed Enforcement (ASE)
- Traffic Calming
- Pedestrian Crossovers (PXO)
- Speed Mitigation Programs
  - Slow Streets
  - Bollards
  - Speed Display/Awareness

Data driven approach to all of our safety programs to ensure the proper measures are implemented at the appropriate locations to address documented issues of safety.

## Road Safety – Traffic Calming

- Corporate Policy
  - Speed and volume thresholds
  - 10 km/h over posted speed limit
  - Added to list – other measures deployed
  - Location Selected – engage Councillor and residents
  - Plan Supported – Council approval
  - Council Approved – scheduled for construction

## Examples of Traffic Calming

## Passive Measures

Slow Streets

Pavement Markings & Traffic Calming Bollard

Speed Awareness Devices
