## School of Wicca Practitioners

with Kacey O'Donnell

In this course, we turn theory into practice. With this hands-on approach to the Craft, this course takes the foundational knowledge you have learned and turns it into a functional experience. This 6-month course is custom-made for those who want to dedicate their life to the practice and study of Wicca.

In the School of Wicca Practitioners course, we will delve into a variety of topics that go beyond your basic Wicca 101. Some of the topics we will cover are:

Advanced work with the God and the Goddess \* Astral Projection \* Magickal Names \* Working with your Shadow Self \* Building rituals \* Warding and Self-defense \* Finding your Magickal Muse \* Scrying \* Building your Book of Shadows \* Healing in Wicca \* and much more ....

In this school, you will also learn how to use the knowledge you've gained and turn it into practical application. We will be learning how to create rituals from beginning to end, write and work your own spells, use divination in your magickal practice, and other techniques to set up your magickal life.

Get ready to dive deeper, reach further, fly higher!

## **About Kacey**

Kacey O'Donnell has been traveling her Wiccan path for over 25 years. She is an eclectic solitary practitioner and a Priestess of the Craft. Kacey has been teaching Wicca classes and holding regular Sabbat celebrations since 2010. She also infuses her practices with holistic healing and energy work. Kacey believes that healing and Wicca go hand in hand as they both use the flow of Divine energy for the greater good. Throughout her spiritual journey, she has come to believe that magick is all around us and in everything, seen and unseen. Kacey believes that it is her purpose in this lifetime to help others see the magick within themselves and their own lives.
