**OCT 16TH**

### Brush Chipping Reminder

Brush chipping will start October 16th at 8am. We will make one complete pass through the Village so make sure your twigs and limbs are at the curb no later than 8am. Once all the brush has been chipped on a street, there

will not be another pass. Please note that the Village Maintenance department is not a tree removal service so if you have a tree cut down, please have your tree service remove the debris. We will only pick up light pruning and storm damage branches as long as the piles are neat with the cut ends toward the street.

## Halloween - Sat, Oct 28

## From the Chief of Police...

Crosswalk reminder! When yellow lights are flashing at the crosswalks, people are attempting to cross. It is usually our children/students so please be mindful in the mornings and afternoons. With fall coming and the time change, it will be harder to see pedestrians. Please remind your children to look both ways before crossing the street. Motorists, please slow down and pay attention.

Halloween, per WHIO, will be **Saturday, October 28 from 6-8pm**. There will be a costume contest in the Opera House, so stop by for the festivities! Look for the flyers around town and on the Village FB page for more details. The event is sponsored by the Heritage Committee and Elizabeth Aultman. There will be prizes awarded for the top costumes.

We are still working on nuisance issues around town. If there is a complaint, please contact the Village Manager or the Chief of Police to have the issue addressed.

For those dealing with feline issues, you can reach out to TNR at [calico@calico-tnr.org](mailto:calico@calico-tnr.org). They have several tips to help with cat concerns. They also spay/neuter to keep the feline population down in the village. Right now there are several areas in town that have a heavy cat presence. If you reach out to them and do not receive a response, please reach out to me and I will contact them with you.

# CHRISTMAS IN SOUTH CHARLESTON

Christmas in South Charleston is now on **Saturday, Dec 2**. It will be a full day of Christmas fun. The parade will start at noon to kickoff a festivities. Come shop vendors, taste local food truck cuisine and see Santa! Lots of fun events for the entire family. Kids, pickup a passport at any local businesses and have it stamped at all the local businesses for a chance to win a prize! The evening will be capped off with a tree lighting ceremony held at Town Hall at 6:30pm followed by the Christmas Concert in the Opera House at 7pm. ## HOMEOWNER SIDEWALK REMINDER!

Don't forget with winter coming that sidewalks must be shoveled in a timely manner. This ensures the safety of our students walking to and from school as well as other community members. As per ordinance code 91.27(b) It is the duty of the property owner to clear sidewalks by 10am after snow or ice has fallen. *Let's keep our community safe.*
