## Notice to Exhibitors

The safety of the dogs is our primary concern. By entering these trials, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are familiar with and able to perform all obstacles safely.

Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Event Committee.

PWDCA may cancel this event in extreme weather conditions.

Entry fees will not be refunded if the trials cannot be opened or completed by reason of riots, civil disturbance, fire, an act of God, public emergency, an act of a public enemy, or any other cause beyond the control of the organizing committee.

The Trial Secretary must receive written notification of such a claim for refund by letter hand-delivered, emailed, or postmarked before the trial commences.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the trial site. In such a case, no refund of any fees paid will be made.

All dogs must be on leash or crated at all times except when in the ring or when in the designated agility warm-up area.

Exhibitors are responsible for being at the ring gate when it is their turn to run. The judge need not wait for any dog holding up a class. Returned checks do not constitute a valid entry fee. There is a \$20 returned check fee.

No refunds will be issued for overpayment of less than \$5.

Checks for canceled or incomplete entries will be shredded. No check will be returned.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement

### High in Trial Agility

#### Offered for the Official National Trial on Thursday, August 28, 2025

- High in Trial (HIT) offered at the National Specialty
- When two days of Agility are held at the National, HIT will be determined from the classes held on the second day.
- QQ's (qualifying in both Standard and Jumpers on the same day) will be considered first for HIT with the PWDCA approved formula applied to the Standard class. In the event of a tie a runoff will be held.
- No scores from the Preferred class will be considered for HIT.
- No scores from a FAST, Time2Beat, or Premier Class, if offered, will be considered for HIT.

The following formula has been approved by the PWDCA Board of Directors and will be used at future National Specialties to calculate HIT Agility and can be used at regional events and trials whenever a HIT Agility for PWD's is offered.

This formula is based on the results of the American Kennel Club Standard agility run only. First to be considered for HIT are those teams with QQ's (qualifying in both Standard and Jumpers on the same day). For each class there are handicap points. Excellent level dogs get 30 points, Open level dogs get 20 points and Novice level dogs get 10 points. This is to acknowledge the difference in skills difficulty required at the higher levels and to "level the playing field".

At the end of Standard and JWW classes, all PWD's in all the classes (Ex A & B, Open, Novice A & B) in all jump heights (generally 16", 20", and 24") with QQ's will be considered first. If there are no teams with QQ's those with a qualifying score in the Standard class are selected. A record is made of that dog's name and number, their score, the Standard Course time for their course and the dog's course time. Standard course times vary from each class level and each jump height. Next, calculate the difference of the dog's actual course time under standard course time (rounded). For example, if the SCT is 63 seconds and the dog runs the course in 58.3, then the difference is 4. Next, add the dog's score (100,95, whatever) to the difference in time (in this case 4) and add the handicap (30 for M/Ex, 20 for Open, 10 for Novice). If this were an Excellent level dog, the calculation would look like this: Dog's score + 4 + 30 = dog's total points.

To determine HIT, first look at teams with QQ's; if none, move on to dogs with scores of 100 in the Standard Class. If there are no dogs with a perfect score of 100, then you move down to the next highest score and calculate the other qualifying dog's score.

### **Fix and Go On (FNG)**

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

### **Entering For Exhibition Only (FEO)**

For Exhibition Only may be offered at the option of the host club. FEO will allow Exhibitors to work with their dogs in a trial environment. FEO is allowed in all classes. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the Entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height the team is committed to FEO for that run and must declare FEO on the start **line**. **Day of show jump height changes are not allowed.**
- Dogs may be entered at any level (Novice, Open, Excellent or Masters) in FAST, JWW, Standard or Premier classes. If the dog is not eligible for the level entered the team is Committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The Exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge.
- Course time for FEO in T2B, JWW, Standard, Premier, and ISC will be 45 seconds.

FAST course times for each class/height are as noted in the regulations.

**Exhibitors must exit the ring when the horn sounds.**

**FEO will be offered in all classes at this trial.**

### **Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend**

#### **Multiple Jump Heights Within the Same Trial Day**

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A **separate entry form must be submitted** when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

**All exhibitors must immediately clean up after their dogs on the trial site, including the RV area, and at motels. Any damage to motels, RV sites, or the trial site can result in disciplinary action by the Event committee and result in ejection from the current and future trials. These are AKC supported measures.**
