Change of Entry

As described in Chapter 1, Section 21 of the Regulations for Agility Trials, a dog which is entered in a Novice A class for which it is not eligible may be moved to Novice B. In addition, if notification has been received in writing from the AKC after closing that a dog is not eligible for a class entered, the dog may be moved to the correct class. The request for the move must be made at least 30 minutes prior to the start of the trial. If a VMO or Field Representative at a trial measures a dog into a height other than what they entered, the entry may be changed from Regular to Preferred or from Preferred to Regular, as long as the dog has not run any classes that day. If the dog has already run, the change may be made for the next trial day(s). The exhibitor must provide the Trial Secretary the AKC Agility Measurement Form when requesting the class change.

Trial Information

Set up times will be announced after closing.
Trial hours are 7:00 am to 30 minutes after the completion of the trials.
Ring size: 80' x 100'.
The building is climate-controlled.
Please bring chairs, crates and water for your dogs, and clean up supplies.
There is plenty of close parking and crate space.
Dogs must be in the crating rooms of the building except when about to run in the current class.
Please do not block the pathway to the entrance or exit of the ring.
Laser pointers may only be used in the crating areas.

Notice to Exhibitors

The safety of the dogs is our primary concern. By entering these trials, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are familiar with and able to perform all obstacles safely.

Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Event Committee.

The Schipperke Club of Greater St Louis (SCGSTL) may cancel this event in extreme weather conditions.

Entry fees will not be refunded if the trials cannot be opened or completed by reason of riots, civil disturbance, fire, an act of God, public emergency, an act of a public enemy, or any other cause beyond the control of the organizing committee.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the trial site. In such case, no refund of any fees paid will be made.

Since bitches in season are not allowed to compete in AKC Agility Trials, the club will refund all less \$5 of the entry fee per day for bitches unable to compete for that reason. The Trial Secretary must receive written notification of such a claim for refund by letter hand-delivered, emailed, or postmarked before the trial commences.

The clubs will refund all but \$10.00 of the entry fee per day for injured dogs or handlers. Written request for a refund must be made to the Trial Secretary prior to the start of the first trial day and a veterinarian's or doctor's letter must be provided within one week of the trial.

All dogs must be on leash or crated at all times except when in the ring or when in the designated agility warm-up area.

Exhibitors are responsible for being at the ring gate when it is their turn to run. The judge need not wait for any dog holding up a class. The SCGSTL has no obligation or responsibility for providing service through a public address system or steward for the purpose of calling or locating dogs that are not brought to the ring when required.

Entries must be made on Official AKC entry forms or copies and must include the signed Agreement and Rules. Junior Handlers must enter their JH# and complete back of form. Include only AKC titles on entries.

Owners are responsible for errors in making out entry forms, whoever may have made such errors. No entry will be refunded in the event of such errors or cancellation of entries after the published closing date. Errors in entries made by the exhibitor cannot be corrected after the closing date except as noted in this premium list. No refunds for duplicate entries.

Dogs under 4 months of age are not permitted on the show grounds of AKC Agility Trials. Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites and any communicable diseases and have appropriate vaccinations.

The SCGSTL does not agree to arbitrate claims as set forth on the Official AKC entry form for this event.

Returned checks do not constitute a valid entry fee. There is a \$25 returned check fee. No refunds will be issued for overpayment of less than \$10.

Checks for canceled entries will be shredded; no check will be returned.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement.

The SCGSTL, their Board and Members, and Dog Sports at Kim's and its employees will not be liable for any loss or injury which may be sustained through disappearance, loss, theft, communicable disease, parasites, injury and/or death of dogs entered in this event.

Electronic timing will be used at these trials.

No strollers or playpens will be allowed in the building.

No professional photography or videotaping is permitted without permission.

NO SMOKING is allowed in the building.

Dogs may not be left in the building overnight.

Changes Effective January 1, 2020

**Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend
Multiple Jump Heights Within the Same Trial Day**

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Fix and Go On (FNG)

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

For Exhibition Only (FEO)

FEO WILL NOT BE OFFERED AT THIS TRIAL

FEO allows exhibitors to work with their dogs in a trial environment. FEO is only offered in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/ or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (eg, when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handler's hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and/or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dis- missed from the ring.

A judge must monitor the entire run. Judges can stop a run at any time.

All exhibitors must be responsible for cleaning up after their dogs on the motel, RV and trial grounds. Motels require that dogs be crated when unattended. Any damages to motels, RV sites or the trial site can result in disciplinary action by the Event Committee. It is expected that exhibitors will clean up immediately after their own dogs and strongly encourage others to do the same.

All owners/exhibitors should be aware that the entire motel grounds and RV sites are considered within the trial grounds. You will be responsible for all damage to your room/site and may be subject to disciplinary action in accordance with the rules of the AKC. Any abuse of the grounds will be brought to the attention of the trial-giving club and its Event Committee. Any exhibitor's entries may be refused for previous misuse of the motel or RV facilities. This is an AKC supported measure.
