

# Become A Consigner at Cazenovia Artisans

Cazenovia Artisans is an artist-owned and operated cooperative located in the historic and picturesque village of Cazenovia, NY. Formed in 2002, Cazenovia Artisans has grown to include some twenty-five artists and has become the area's premier showcase of regional fine art and craft.

The collection of juried work offered for sale is ever changing and is entirely handmade by artists and craftspeople living in the Central New York area.

We are pleased to offer limited availability for fellow artists in the community to join us short-term within our **Consignment Artist Program**. This program has been designed by our membership to expand opportunities for talented artists and to maximize the use of our gallery space. With this in mind, we hope to encourage a steady stream of consignment artists and ensure a mutually beneficial relationship.

## Key points to keep in mind when applying:

- All Consignment Applications are subject to jury review and membership vote.
- All Consignment Artists will sign an initial six (6) month contract with the possibility of expanding/extending that contract at the Gallery's discretion based on sales.
- Preferential consideration is made for artists residing in New York State.
- Your work must be original and conceived, designed and created by the artist.
- Your work must be presented in a professional manner (i.e. paintings must be framed).
- Consignment Artists are not permitted to sell reproductions or greeting cards.
- Consignment terms include a 45% commission to Cazenovia Artisans LLC.
- How and where consignment artwork is displayed is at the gallery's discretion.
- All consignment artwork will be considered for inclusion in our gallery's online shop for the duration of the contract period (unless specifically refused).
- Consignment Artists may not remove/swap/add artwork without prior arrangements with Cazenovia Artisans LLC's authorized representative.
- Consignment Artists are responsible for delivery and removal of artwork.
- Cazenovia Artisans does NOT provide insurance coverage for artwork.

Cazenovia Artisans LLC will strive to work WITH the Consignment Artist to decide exact pieces of artwork that will be considered for display in our gallery space. MANY factors will influence this decision: price point, sizes, medium, available display space, craftsmanship, presentation, etc. Please remember that since there is no cost to join the Consignment Artist Program, we only profit when your artwork sells, and we are going to do everything in our power to promote our Consignment Artists and to make this relationship a success for everyone!
