We will be the only functioning restaurant on this side of the island and our opening hours will be as follows:

Wed-Friday -> 12-10pm or when the last customer goes!

- Amanda was responsible for the Social Media Marketing across all channels for the St. Maarten Heineken Regatta, the largest warm water regatta in the world. She did a fantastic job with getting a 35% increase on our Facebook page for the event in a year time. It was very pleasant working with her. She's a real professional, knows how to reach the right people and is always willing to find creative content.
- *Michelle van der Werff, Regatta Director of the St. Maarten Heineken Regatta*
- Amanda's expertise in Social Media Marketing is quite extraordinary. She did an exceptional job getting us business and online reservations through Facebook and Instagram when we opened our new restaurant. She created content, took photographs of our restaurant, food, and cocktails to use for Social Media, and engaged with users for us for three years. Unfortunately, due to Hurricane Irma, we had to close down our restaurant. If we didn't have to, there is no doubt that we would still be using her services today.
- *Mike and Teresa Williams, Owners of Big Fish Restaurant*
- Amanda worked exclusively as the Social Media Director for all three of our Sonesta Resort properties and was able to increase bookings through social media by sharing beautiful photos of our resorts, great content and inspiring posts across Facebook, Twitter and Instagram. She used Instagram as a platform to search for people and explain to them about our properties, amazing work! We were sad to see her go!
