Any Boating
Accidents?

 Yes No

Huron Yacht Club is owned and operated by its members. This includes the maintenance of the property. Please indicate any special occupational talents (such as: plumbing, landscaping, painting, electrical, carpentry) :

Please be prepared to submit a \$250 Initiation Fee payable to HYC upon notification that your application has been approved by the HYC Board of Directors. Annual membership is \$1000, dockage is \$450 + \$10/ft and winter storage is \$250. As an example, the total annual membership costs including seasonal dockage and winter storage for a 27 foot boat is $\$1000 + \$450 + \$270 + \$250 = \$1970$. Launch and lift fees are determined at the time of service. All rates are subject to annual review.

I intend to participate as an active member and contribute to the club. I will fulfill all obligations including member work events and the payment of dues on time.
