## My League Manager – a Message from the Bulldogs

BREAKING GAME DAY NEWS: - From the Bulldogs

All team Coach's and Manager's must download the new 2019 player card system MYLEAGUE MANAGER app!

No more cards, no more hassle! This technology is so simple to use and a seamless experience for coach's and manager's on game day to get you and your team on the field.

By the end of this week, all nominated team coaches and managers should have liked this page and have been added to the their team list if you haven't been already. This is to ensure they can access all their players and officials cards on a daily basis and our Facebook page will be giving regular tutorials and updates to have you prepared for Round 1!

This gives your team officials plenty of time to navigate the system and on going questions you have. Any questions along the way, please don't hesitate to ask. If you experience any issues please go to [www.support.leaguenet.com.au](http://www.support.leaguenet.com.au).
