The Middle Tennessee Corvette Club (MTCC) was organized to provide a favorable and friendly atmosphere for Corvette Owners and Enthusiasts to share in the opportunities to participate in club meetings, trip, events and social activities, to encourage in programs which serve to improve our community, and to contribute to and support local Charities, organizations and Families. The MTCC collects money through membership dues, car shows, auctions, raffles, sponsorship and other fundraising means. Each year we endeavor to increase the amounts of money we raise for donations to help local charities in the Middle Tennessee area.
