This three-day course is crafted to improve students' skills in distinguishing truthful statements from deceptive ones. Mike has delivered this course across the US to federal, state, and local law enforcement, as well as to private security professionals. If acquiring the truth is your goal, this course is essential. It offers unique and interactive training from which both law enforcement officers and civilian investigators will gain valuable insights.

**COURSE HIGHLIGHTS:**

- ◆ Recognizing emotional stability in writing & verbal evasiveness
- ◆ Signs of aggression
- ◆ Signs of deception
- ◆ Sexual aspects in handwriting
- ◆ Signature analysis
- ◆ Handwriting zones
- ◆ Various personality traits identified in handwriting
- ◆ The examination of the writing of historical figures, murderers, as well as your own handwriting style
- ◆ Signs of stress manifesting in the form of body language
- ◆ Voice pitch
- ◆ Liar's triangle
- ◆ Posture
- ◆ Barriers
- ◆ Eye movement, Gestures
- ◆ Length of truthful statements
- ◆ Steps for evaluating statements
- ◆ Identifying key words and phrases
- ◆ Importance of pronouns

**Target Audience:**

Police Officers, Supervisors, Internal Affairs Investigators, Administrators, Detectives, Security Professionals, and Private and Corporate Investigators

*This course will provide the student with a far better ability to distinguish and properly evaluate the truthfulness of a subject in many different situations. The provided student workbook is designed to enhance the training and use as a reference for the topics listed above. Find out how many answers may already lie in your existing case files. Course Certificates of Completion provided.*

**Course Instructor Sgt. Michael Ruggiero (Ret)**

Sergeant Mike Ruggiero is the lead Instructor of this course. Mike has been in law enforcement for over 30 years and has conducted training for thousands of law enforcement, corrections and civilian investigators throughout the United States. This course will inspire new officers and enhance the skills of experienced officers. Mike also authored the book, "Uncover the Truth."
