Mr. J.H. Kim  
Hyundai Heavy Industries Co. Ltd.  
Electro Electric Systems Div.  
1 Cheonha-Dong  
Dong-Gu, Ulsan-City 682-792  
South Korea

Subject: Energy Efficiency Verification of Motor Models Series HKP, HLP, HIP, HJP, PKP, PLP, PIP, PJP, XKP, XLP, HK, HL, HI, HJ, HS, PK, PL, PI, PJ, XK, and XL (up to 500 hp) to CSA C390-10 and Department of Energy - Office of Energy Efficiency - 10 CFR 431

Dear Mr Kim;

We are pleased to inform you that the subject equipment, (incorporating any modifications or revised ratings as required) is considered to comply with the applicable CSA Standard C390-10 and the applicable Canadian Energy Efficiency Regulations from NRCan and that of DOE Requirements

This equipment is therefore eligible to bear the **CSA Energy Efficiency Mark**, in accordance with instructions contained in previous correspondence.

**Authorized Mark**

Yours truly,

A handwritten signature in blue ink, likely belonging to Tai Pham.
