

CircoPowerTM RSF

Concentrated, Low-Foam C.I.P. Acid Cleaner

CircoPower RSF is a concentrated, C.I.P. acid for milking and milk cooling installations which is particularly effective in the removal of milk stone and mineral deposits.

GEA Farm Technologies -

Features and Benefits

- **Specially Formulated**

Provides the best results at lower cost per wash. The acid blend in CircoPower RSF prevents many types of scale formations including barium salts.

- **Effective Cleaner in a Variety of Systems**

CircoPower RSF is extremely effective in the complete removal of milk stone and mineral deposits, as well as in lowering the pH in the milking system to help prevent bacteria growth between milkings.

- **Environmentally Friendly**

Individual, on-farm recommendations and dosage levels reduce unnecessary overuse.

- **Phosphoric Acid**

Completely neutralizes detergent residues to prolong the life of inflations and other rubber parts.

- **Contains Nitric Acid**

CircoPower RSF not only removes complex organic and inorganic scales, but has been shown to protect steel.

- **Safe for Equipment**

Safe to use. Non-corrosive to stainless steel, glass, plastic or rubber parts when used as directed.

- **100% Customer Satisfaction**

All GEA Farm Technologies hygiene products have a 100% Customer Satisfaction Guarantee.

CircoPower™ RSF

Concentrated, Low-Foam C.I.P. Acid Cleaner

Application

Pre-rinse with warm (110°F / 40°C) potable water. Wash using CircoPower AF 222 or 332 as recommended by the dealer. Acid rinse with CircoPower RSF. Circulate for 4-7 minutes. Drain thoroughly. Sanitize prior to milking in accordance to local health department regulations.

Storage

If frozen, thaw completely and mix thoroughly before use. Store product in a cool, dry area away from direct sunlight to avoid deterioration. Keep containers closed to prevent contamination.

Product Properties

Appearance:	Clear, red liquid
Odor:	Mild acid
pH:	<2.0 (as is)
Specific Gravity at 77°F (25°C):	1.27 (water = 1)
Solubility:	Complete at recommended use dilutions

Ordering Information

Canada (only)
