Participants must have bowled a minimum of three games in a VPUSBC certified league during the current season prior to the tournament start date.
2. Divisions: The tournament will be held in two (2) divisions. **DIVISION 1** will be TEAM- 620 average and up, DOUBLES-310 average and up, SINGLES-155 average and up, A/E-155 average and up. **DIVISION 2** will be TEAM-619 average and below, DOUBLES-309 average and below, SINGLES-154 average and below, and A/E-154 average and below.
3. Time Preference: Participation date and time preference will be scheduled in order of receipt of tournament entries.
4. Participation: Bowlers entered in the doubles event must also enter the singles event. Likewise, all singles event entrants must also bowl the doubles event. A bowler is not eligible to enter or compete more than once in the doubles and singles events. Bowlers may participate on more than one team; however, no more than two of the same bowlers on a team may cash more than once (USBC Rule 315). If a bowler participates in more than one team event, the bowler's scores for the first appearance will count toward her All-Events total. Team re-entries are permitted providing lanes are available and entry fees have been paid prior to the start of the desired squad. If a bowler wishes to bring in 3 new team members for the team event, such entry will be accepted, providing the bowler was originally scheduled in the tournament before the deadline date of March 13, 2020.
5. Tournament Averages: Entrants will use their highest VPUSBC Yearbook certified average based on a minimum of twenty-one (21) games in the following order (1) previous winter season, (2) previous summer season, (3) or if bowler has no VPUSBC previous season book average, bowler will use their highest current VPUSBC certified average of twenty-one (21) games or more as of March 1, 2020. Written verification of the March 1st average, signed by the League Secretary, must be submitted prior to bowling or participant will use a 230 average. Last minute substitutes and non-verified March 1 averages will be 230. Participant will have five (5) days after bowling to submit verification. If verification is not received or post marked within the allotted time, the bowler will bowl with a 230 average. All others bowl scratch. USBC rule 319a (2) WILL NOT apply. USBC rules 319a (3) and 319d DO APPLY. Refer to rule 319e concerning re-rating. Youth yearbook averages will be accepted for this tournament.
6. Handicap: The actual score bowled in each series bowled shall add a handicap of 90% of the difference between the entering average and 230, using the individual three-game handicap method.
7. Prize Money: Prize money will be determined by the number of entries per event. All added prize money, if any, will be distributed on a pro-rated basis according to the number of entries in each event. Prize money for the Handicap Division will be paid with handicaps added to actual score. Prize money will be distributed at a ratio of at least one for every ten (1 in 10) entries for Team, Singles, and Doubles events. Prize money will be distributed at a ratio of at least one for every twenty (1 in 20) entries for All-Events. A bowler who places first in the All-Events category but has not paid the optional fee is not eligible for the cash prize. In the event of ties, prize money will be equally divided. All prize money will be returned 100% and mailed to the listed "Captain" within 30 days following the close of the tournament.
8. Order of Bowling: Teams will bowl in the order submitted on the entry form. Singles will be bowled before doubles. Singles/Doubles will be bowled on the same pair of lanes. The pattern to be followed in the singles and doubles event will be that there will be a maximum of three (3) bowlers per lane. A substitute in the singles or doubles event must bowl both events for the original entrant. No substitutes will be accepted for All-Events prize list participation when any one event or portion of event has been bowled by the original entrant or the substitute. Team Captains may make replacements in the entry by reporting them to tournament officials 30 minutes prior to the scheduled event. After the start of any series, no changes will be made in the order of bowlers except that the team captain may replace any player by a qualified substitute at any time. USBC Rules 324a and 324b apply.
9. Official Score: The automatic scorer and/or displayed scores will be the official score during a game. The recap sheets will become official after all scores have been recorded, and they are signed by the team captain, or singles/doubles participants. Only tournament officials or bowling center employees may make scoring changes. Recap sheets will be audited, and obvious errors will be corrected. Protests involving the scores or any other rules must be made before the awarding of tournament prizes according to USBC Rule 329a. Any scores lost by automatic scorers shall be re-bowled.
10. Lane Assignments: Lane assignments will be determined by the Tournament Manager.
11. The Tournament Manager reserves the right to add additional squads as needed for the tournament.
12. The Tournament Manager's decisions are final. Appeals can be made in writing according to USBC Rule 329b.
13. Returned and/or redeposit checks will be charged all incurred fees.
