Volunteer:
https://dev-leelandstewart.pantheonsite.io/
WordPress UNDER DEVELOPMENT
https://www.grouchs.com
Simple website completed in 2 hours, over Zoom, with client on first meeting

TEACHING AND MENTORING SKILLS

- 5+ years' experienced teaching in a local high school
- 5+ years' experience teaching software to corporate employees
- 3 years' experience teaching basic computer software to Marine Corps officers and enlisted persons
- Created Discord channel to help tutor my fellow classmates for each class in which I was enrolled
  - ➢ 5+ hours/week in tutoring fellow classmates for free
- Created and led study groups
- Independently created a 10 Min Guide to Microsoft (graphical instructions) for the Marine Corps (using only screenshots and MS: Word)
  - ➢ received an accommodation

CERTIFICATIONS

Spring 2022 - Certification from Northern Virginia Community College (NVCC) for Web Design and Development.

Presidential Scholar Honoree (GPA 4.0)

Proudly recommended by my NVCC instructors
