

Carbone's has been a local legend since it was established in 1945 by Alphonse and Nellie Carbone. For 26 years Carbone's was the local market for the families living on Oak Ave and the surrounding area.

In 1972 Anthony (Tony) Renzullo and his wife Carol bought Carbone's from his uncle. Tony continued the tradition of the local corner market and superior customer service his uncle had established it. Tony and Carol took Carbone's Market to the next level by creating the now famous over stuffed Carbone's grinder. Ensuring the local factory workers were well fed.

In May 2016 Heath and Alice Leonard, who have enjoyed coming to Carbone's for most of their lives, purchased the market from Tony and Carol. Their vision, to continue the traditions set forth by Alphonse and Nellie Carbone and Tony and Carol Renzullo and to introduce a few new things to make their mark on this legendary market
