Hardcore punk rockers Underdog make mammoth sized sounds on their latest CD, Ether Dome. Featuring Scott Ferguson on guitar, bass & vocals, Bryn Carlson on lead guitar, bass, drums & vocals and Harry MacKenzie on drums, the Walpole based trio deal up bombastic, bloody nose musical punches song after song. Pit bulls, cobras, vampires and the like are welcome to join in on the musical chaos and mayhem... and of course, you'll have a good time even if you have to be rushed to the emergency room after the show.
