

December 2025

Monthly Meeting – The next meeting is Wednesday, Dec. 3. E-board meeting at 6:00 followed by regular meeting at 7:00. This is our Christmas **Social**. Michelle always makes it fun! Please encourage your wife/spouse/partner to come.

Input is needed- How do we **keep our post alive** with the aging out of our membership? We have once again heard suggestions with regards to a **Sons of the Legion charter**. Do you have any sons, sons-in-law, grandsons that might be interested in spearheading this or becoming a member. Our community has kept this post active for 76 Years. It would be a shame to have to fold up for lack of interest.

Thank you
