Marsh Landscape

For the sky: to achieve a light blue sky color #12 on a paper plate making sure there are crumbs of color on the plate. Mix with fabric medium until color is light blue. Apply to sky area.

For the clouds: to achieve a light light gray #8 on a paper plate making sure there are crumbs of color on the plate. Mix with fabric medium until color is light gray. Apply to lower part of clouds.

For the marsh water:

1. Color with #6 lightly
2. Overcolor with #10 lightly
3. Overcolor with #12
4. Blend all colors with fabric medium
