

## Henna Squirrel

### Recommended Coloring Materials:

#### Inktense Pencils:

1. Sun Yellow (0200)
2. Cadmium Orange (0250)
3. Amber (1710)
4. Sherbert Lemon (0100)
5. Apple Green (1400)
6. Ionion Green (1320)
7. Dark or Dusky Purple (0730)
8. Carmine Pink (0520)
9. Poppy Red ( ) or Hot Red (0410)
10. Fuschia (0700)
11. Watercolor Cake or Tube in Light Brown
12. Watercolor Cake or Tube in Grey

The body of the squirrel is colored with Light Brown Watercolor. Make sure that enough of the watercolor is mixed well with fabric medium to cover the entire body. The background part of the tail is colored with the Grey watercolor. To vary the grey from light to dark, start by mixing just a little fabric medium with the watercolor cake or tube on a plate or paint palette. To lighten add more fabric medium. Once the body and tail of the squirrel is dry color using the Inktense pencils color as in photo. To achieve multi-colored look using the Inktense pencils, see video instructions for Zen Pumpkin under

How To Videos tab or the written instructions "Painting Instructions for Embroidered Flower" in FAQs/Docs at [www.medinadomarts.com](http://www.medinadomarts.com).

Use the Black and White Version attached to test colors first and to set up a color code chart before coloring on sampler. You can use fabric medium on paper in order to see final Ink tense color.
