About Medina Domestic Arts Studio

Michele saw her first long arm in 2002 and vowed one day she would have her own long arming business. She got her wish when she retired from the oil and gas industry in 2009 to start her own quilting business AND fabric store. (Sometimes you should be careful of what you wish for!) After three years of running both businesses, she sold the fabric business to focus on the long arm offering custom quilting and embroidery, machine rentals, long arm and coloring fabric classes and custom digitizing. For the last 12 years Michele has been teaching classes both to groups and one-on-one in her studio, at quilt shops and quilt guilds.

Fabric Painting 101 Class

Want to learn how to color on fabric? But don't want to spend a lot of money on supplies? Then this is the class for you! All you have to do is show up! I provide a **12 to 16 inch fabric block or canvas bag (students choice)**, the use of my coloring tool boxes, bling and printed instructions. You will learn multiple coloring and painting techniques using my fabric markers, Inktense pencils, paints and fabric medium. When the class is done you will have a beautiful block to use in a quilt, pillow or on a bag. Class fee is a single fee (see each kit's price) and covers **everything**. This is the recommended class that everyone should take first before tackling one of the more complex fabric painting kit classes.

Classes are 4 to 6 hours long with a 45 minute break for lunch. I will consider half day classes based on guild or group's needs. Please contact me for further details.

Class size: minimum of 8 students if venue is located within 2 hours of my studio OR minimum of 10 students if located 2 hours or greater from my studio. Maximum number of students is 15 but I will consider additional students depending on the class kit. **NOTE: FOR BEGINNER CLASSES – ONLY ONE BLOCK WILL BE TAUGHT – NO MULTIPLE CHOICE OF BLOCKS.**

A custom Fabric 101 class can be created for guilds or large private groups. Please contact Michele for additional information.

Travel expenses: For lectures and workshops further than 2 hours, I typically travel in my RV in order to bring all the necessary supplies. Lodging costs will be campsite fees (usually \$20 to \$60/night). Door to door travel is reimbursed at the current federal government rate per mile.

If your guild would like a trunk show, it is \$450 for a 1 to 1 ½ hour presentation that includes a coloring demo.

Please call, text or email if you have any additional questions! Email: medinadomarts@aol.com Cell Phone: 303-818-3625

Denim Painting Classes for Beginners

For any denim painting class, shirts are available for purchase for \$30 and range in sizes from Small to 3XL. Otherwise, students may bring their own shirts to class as long as there is no placket or pleats on the back of the shirt. All denim painting classes use Direct to Film Iron on Transfers unless arrangements have been made well in advance for embroidered versions to be stitched out prior to class date.

Denim painting classes involve the use of acrylic markers, fabric medium, and fabric paint (and additional bling if applicable). Each class includes a kit that is covered in the cost of enrollment. Students will be able to take their kit home.

Texas Wildflowers – one of the most popular patterns to date, this is the same design as the one many have colored on white fabric. Instead of Inktense pencils, students use acrylic markers and fabric medium. The optional Bling Kit is the same as the white fabric kit.

Class Fee (includes student kit): \$75.00

Bling Kit (optional): \$15.00

Shirts available for \$30 additional cost

Floral Wreath – One of the easiest designs to color on denim, this is a quick less than 4 hour class. A simple package of 24 acrylic markers, fabric medium, brush and paint palette, this is the most affordable denim painting class available.

Class Fee: \$65 Optional bling kit: \$15

Shirts available for \$30 additional cost

Mandalas – Mandalas are one of the easiest patterns to paint on the back of a denim shirt. Four different patterns have been included but custom mandala classes can be designed upon request.

Each mandala kit comes with a 24 or 48 pack set of acrylic markers, fabric paint, fabric medium, brushes and paint palette. The mandala comes in two sizes: 10 inch and 12 inch – students can choose either size (no extra charge for larger size).
