

Coloring Instructions for Zen Pumpkin And Frame

Tools Used:

Inktense Pencils

- 1 Sherbert Lemon
- 2 Beech Green
- 3 Green Apple

- 4 Sun Yellow or Cadmium Yellow
- 5 Sicilian Yellow

- 6 Sienna Gold or Golden Yellow

- 7 Tangerine or Cadmium Orange
- 8 Poppy or Hot Red
- 9 Chili Red
- 10 Fuchsia
- 11 Violet
- 12 Baked Earth

Fabrico Markers and Gelly Roll Pens

- 13 Pea Pod
- 14 Pine
- 15 Purple Stardust

- Orange Stardust or Sparkle Pop
- 16 Orange Pen

NOTE: The “paint by number” diagram for this kit is contained in the instructions however many of the photos are from other kits. The process is the same regardless of the kit being colored. There are also many how to videos on my website www.medinadomarts.com. If you have any questions regarding how to color any of this specific kit please contact us at medinadomarts@aol.com

This block uses shading techniques with Inktense pencils. I have made a short video on my website and you can also watch it on YouTube: [\(1547\) In Depth video on Shading with Inktense Pencils And Blocks - YouTube](#)

This single process is used for the entire pumpkin.

I have included additional coloring information in this set of instructions that may or may not be applicable to this kit. Please use the information as you see fit. Thank you!
