

#### Recommended Coloring Materials for Peekaboo Cat:

1. Gelly Roll Stardust Pens 16 Set Collection
2. Gelly Roll Clear Stardust Pen
3. Atyou Spica Glitter Pens (any combination of pens will work)
4. Pentel Sparkle Pens (any combination of pens will work)

You do not have to buy all these pens... One set is plenty although the Atyou Spica Glitter pens come in the widest choices of color.

To color with gel pens see video instructions for “Coloring the Embroidered Sewing Machine with Gell Pens” under How To Videos tab or the written instructions “Painting Instructions for Embroidered Flower” in FAQs/Docs at [www.medinadomarts.com](http://www.medinadomarts.com). Note that the white area on colored cat has been colored with a Gelly Roll Clear Stardust Pen.

Use the Black and White Version attached to test colors first and to set up a color code chart before coloring on sampler.
