Backyard Birds

The coloring for these birds is really pretty easy but it's hard to actually set the instructions up as paint by number. Thus, the instructions for each bird is listed below. The Arteza 72 water Color set is used but if you wish to use other coloring tools, there are handy cross reference Tools listed in the Color Instructions section under Fabric 101 Instructions. And as always, you Are welcome to contact us at medinadomarts@aol.com with any questions.
