10	Black Acrylic Marker* Permaopaque
	Fabric Medium
	Paint Palette
	Small Brush Set - Princeton Real Value Brush Set - 9174, White Taklon, Short Handle, Set of 5

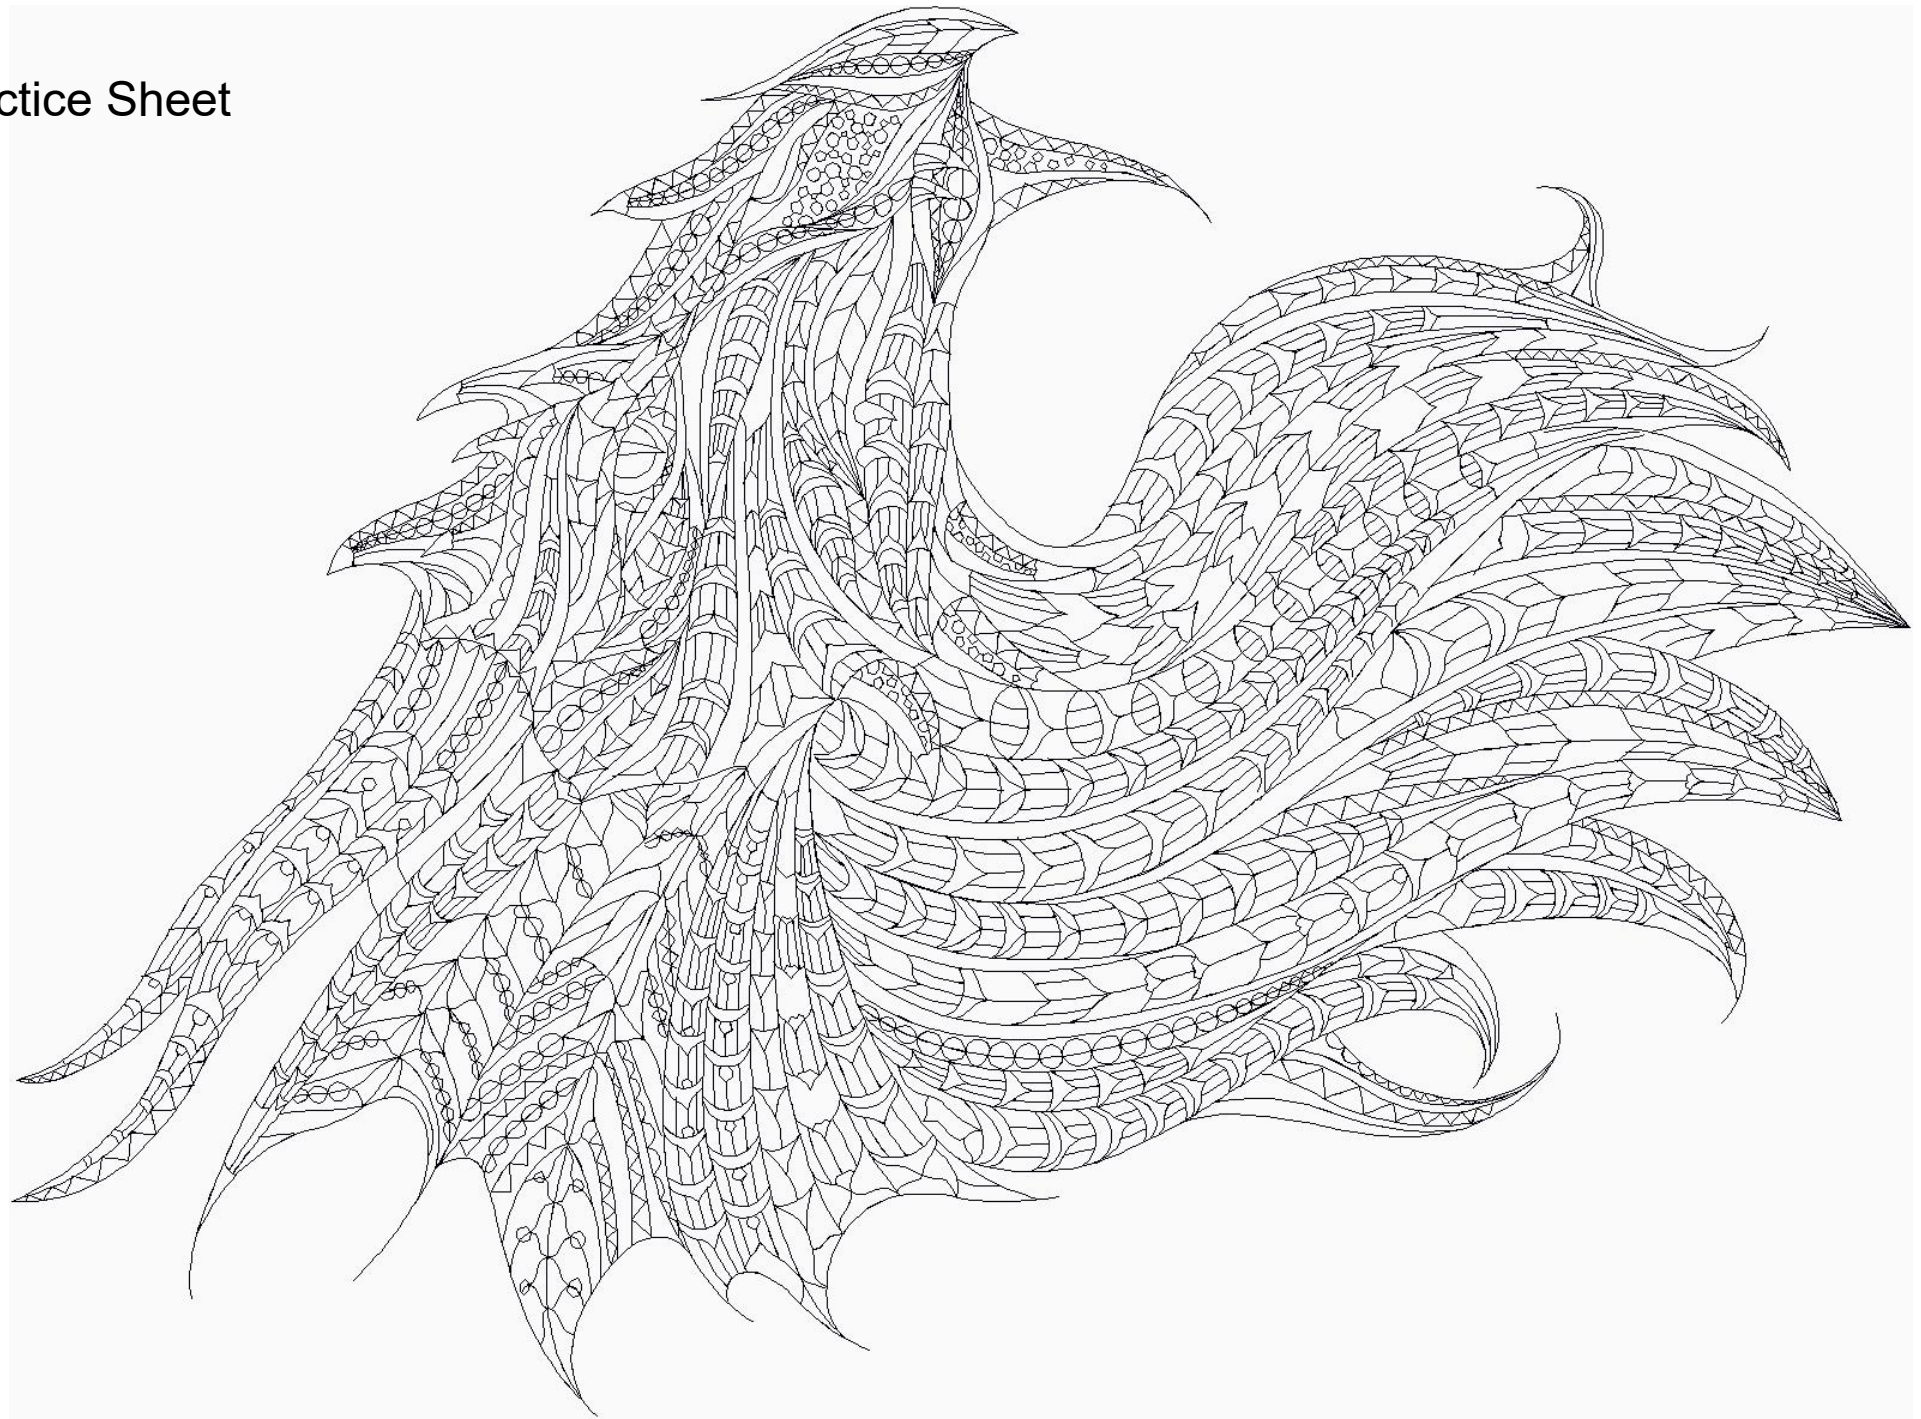

The Tribal Dragon is primarily painted with metallic paints I used Jacquard Lumiere paint for the majority of the Colors used listed here. Because there are so many little Bits and pieces of this design, not all areas have numbers Associated with the colors used. Please refer to the colored Pictures to confirm the color used.

Use the fabric medium over the acrylic marker areas so that The color does not wash out. The paint does not need any Fabric medium as it is made for fabric painting. If you get paint on the black outline, use the black acrylic marker To redraw the black lines.

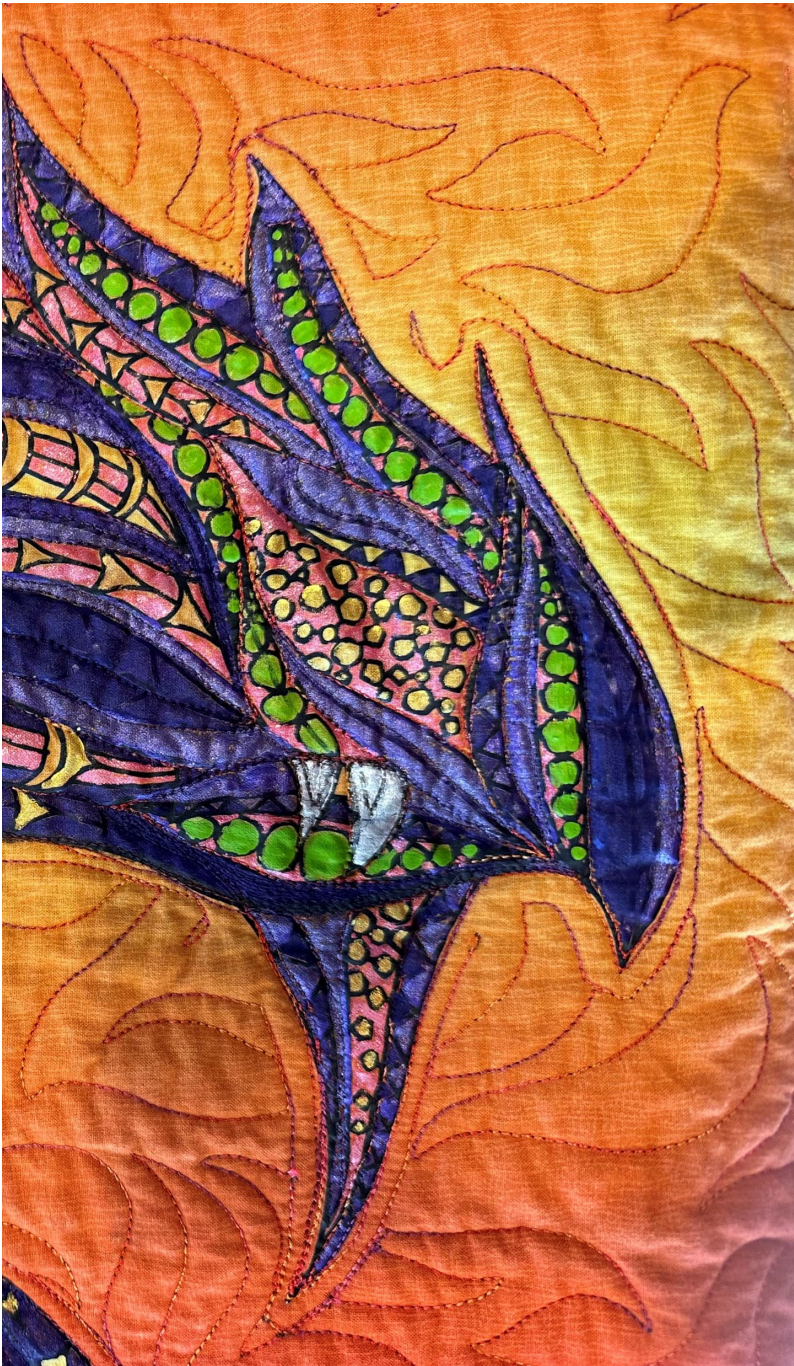

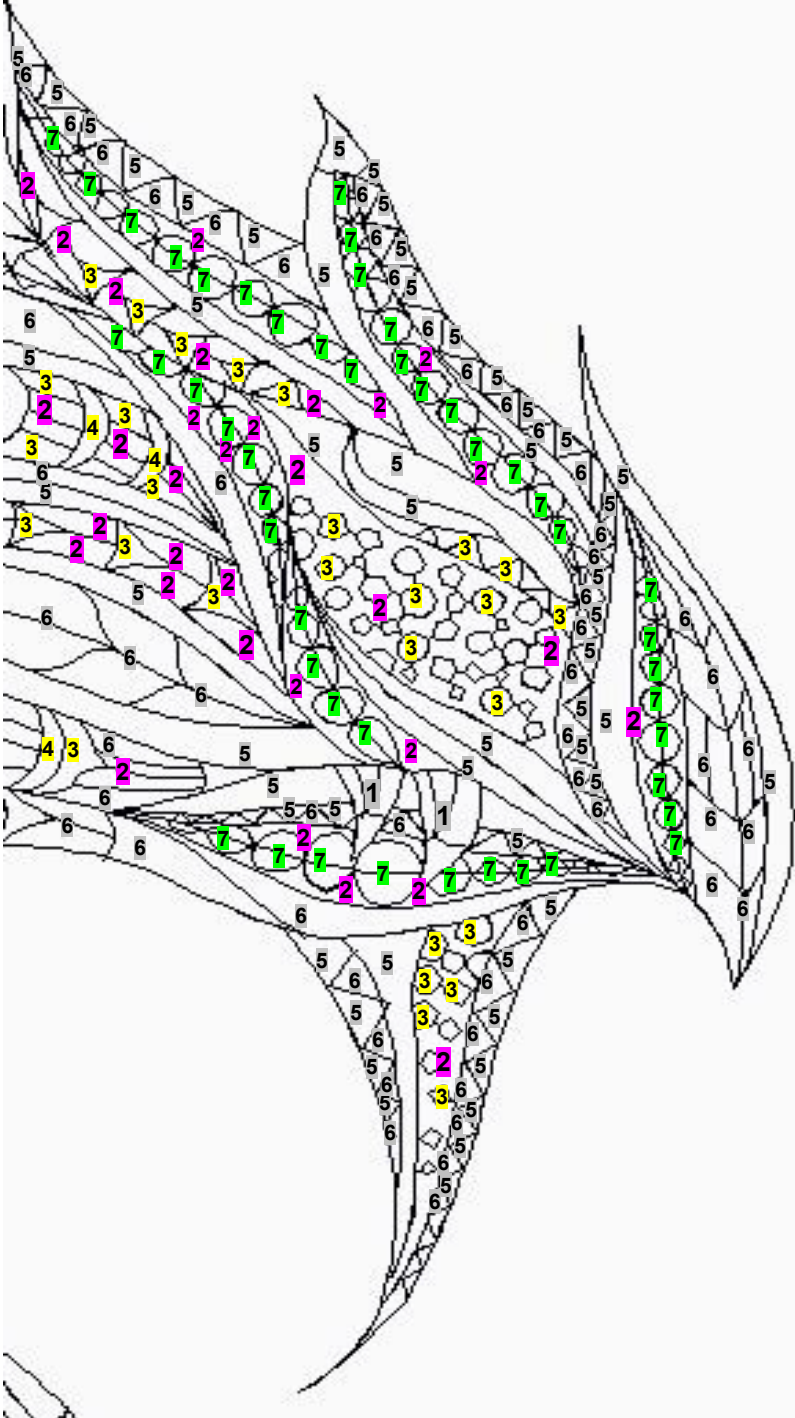

Heat set your work after it is completely dry. Set your iron To the Polyester setting (temperature approximately 325 degrees). USE A PRESS CLOTH (paper towels will suffice). Press for 20 seconds overlapping as you press. Do both front and back.

Wash with warm to cool water and normal detergent.
