Incontinence Products

Prevail Pantliners

- Prevail® Pantliners offer the most discreet light bladder leak protection for women who experience occasional droplets. They keep women dry, so they can feel fresh and comfortable every day. Best of all, they come individually wrapped so you can stash extras in your bag for on-the-go leakage defense.
- Light-Heavy absorbency.

FitRight ActivEdge Women's Bladder Control Pads

- Discreet contoured design features absorbent core to lock in moisture and odor and keep skin dry.
- Waterproof backsheet is soft, comfortable and fabric-like; won't make crinkle noises like plastic backsheets.
- Moisture-wicking topsheet features a tasteful design for feminine appearance.
- Light-Heavy absorbency.

Presto Maximum Guards for Men

- OdorSecure® technology prevents odors before they have a chance to form.
- Powerful protection with a very discreet fit.
- Soft materials prevent skin irritation.

ContourPlus Bladder Control Pads

- Discreet bladder control pad with individualized, garment-like fit with increased airflow and cloth-like outer cover for soft feeling on skin and discreet fit.
- Elastic leg gathers help prevent leaks.
- Intended for use by men and women.
- Available in sizes moderate (5.5" x 10.5"), maximum (6.5" x 13.5"), ultimate (8" x 17").

Presto Light Pads for Women

- Designed for optimal fit and absorbency for women.
- OdorSecure® technology prevents odors before they have a chance to form.
- Swift & Soft® layer prevents leaks and improves skin dryness by efficiently funneling liquid into the absorbent core.
- Light-Heavy absorbency.

FitRight Incontinence Liners

- All designs have a 4D-Core with odor protection for super absorbency and cloth-like backsheet for increased comfort and discretion and low-profile core for improved comfort and fit.
- Both the FitRight Restore Super liner and the FitRight Plus liner (FITLINER300) feature soft antileak guards to help reduce leakage and improve containment.
- Light-Heavy absorbency.
