

Cleaning Brushes

MG Chemicals' line of cleaning brushes will take your cleaning to the next level by removing loose debris that chemical cleaners alone cannot. Available with premium grade stainless steel, brass, horse hair or hog hair bristles and with wood, zinc-plated steel, or tin handles. Choose from abrasive, non-abrasive or anti-static versions, depending on your needs.

850 Stainless Steel Cleaning Brush

A heavy-duty brush with stainless steel bristles and a wooden handle, great for cleaning soldering iron tips, cutting corrosion, and surface preparation.

851 Brass Cleaning Brush

A heavy-duty brush with brass steel bristles, and a wooden handle, great for cleaning soldering iron tips, removing oxides and corrosion from connector ends, and burnishing without removing base metal.

852 Hog Hair Brush

A general cleaning brush with stiff hog hair bristles and a wooden handle. Can be used dry or wet and works well with sticky or crusty materials. Great for removing flux, and general clean up.

855 Horse Hair Cleaning Brush

An inexpensive brush with soft horse hair bristles and a sturdy tin handle. Excellent for dusting, cleaning with fluids, and general cleanup.

856 Double-Ended Horse Hair Cleaning Brush

A double ended cleaning brush made of short natural horse hair bristles and a zinc-plated steel handle. Its short bristles make it ideal for heavy duty scrubbing. One end is chiseled to clean hard to reach and tight corners and the other is straight for precision

857 Chisel Hog Hair Cleaning Brush

A hog hair brush with a short vertical plywood handle. Can be used dry or wet. Excellent for removing flux and general clean up.

859 Horse Hair Cleaning Brush

A general cleaning brush with natural soft horse hair bristles and a wooden handle. Excellent for delicate cleaning tasks.

Features & Benefits

- Durable
- Secured bristles
- Strong handles

Applications

- PCB rework and cleanup
- Male and female connectors
- Electronic equipment
- Electronic repair
- Electrical cleaning
- Soldering
- Plant maintenance
- Office equipment maintenance
