**MBRA Meeting Notes**

**President Chris Robinson** called the meeting to order at 7:31 pm.

**Marshall District Supervisor Mary Leigh McDaniel** gave an update on water: they have now acquired two wells from the Backer property. Those will take two years and \$3 million to get online. She explained that this acquisition goes a long way to getting us where we need to be. Synopsis of Marshall water: WSA spent lots of money to update Marshall's water system that was many years old. Within the last few years, however, a few wells have gone offline, as they were contaminated. The Backer wells are located across from the Storage place on Old 55.

Van Metre has been working hard on getting water for their sites.

Mike Focasio, Marshall Representative for WSA, is a hydrologist, which is very helpful. He is committed to long term, sustainable options. Mary Leigh explained that the County is looking at not just surface water.

The question was raised as to whether a reservoir is on consideration for their 10-year plan. Mary Leigh explained that reservoirs are expensive, but reliable, economically viable, and sustainable. First they must determine maximum growth, and then they can go from there. All options are on the table. As for the cost offset, WSA will bill you for the cost of water. It is a difficult goal to accomplish in an affordable manner.

Main Street: project will probably begin next year in the Spring. Furthermore, Fauquier County's Kim Johnson (Chief, Zoning and Development Services) is formally resigning from the County on 8/4/17.

**School Board member Duke Bland** spoke next and explained that they are in the process of making the After School Enrichment program a reality. They are rebidding initial costs from years ago of \$175,000, which sounds

awfully high. The program will be to bid in the next few weeks. It all started when Duke called Dr. Jeck one night, which was one night after David Graham happened to have asked Dr. Jeck about the same idea. Moreover, Ruth Nelson is retiring at Taylor Middle School.

Nick Napolitano, Vice President at Liberty High School, contributed to the well-being of southern Fauquier's community and is now Taylor M.S.'s new Principal. Assistant Principal at P.B. Smith, Kelly Henson, is now the Assistant Principal at Marshall Middle School. She spent 5 years at M.M.S. before her time at P.B. Smith, and it is a great pleasure to have her return. Also, Janice Bourne announced her retirement last night as Assistant Fauquier Schools Superintendent.

Capital Improvement programs in the summer: Thompson is getting a whole new septic tank; MMS is resurfacing the entire parking lot; and Fauquier High School's Environmental Science wing has a complete overhaul, including tiles, plumbing, drywall, and lights.

Duke said it has been a quiet summer. They just met regarding the budget last night, and they're coming in on budget. The County had 116 teacher vacancies; all but 19 have been filled. In September, Duke will tell of our new teachers.

**Hanna Tierney, Resident**, spoke about concerns over pedestrian safety in town. She and her husband Sean have three kids ages 13, 5, & 2 and they live right on Winchester Rd. Last year she, Sean, and Mary Leigh got VDOT to do a traffic study which showed the average speed on Winchester Road was 39 mph. She wants speed to be 25 mph and to have 3 or 4 pedestrian signs at road for safety. She has a petition to sign to that effect.

**Jeremy Noel, Tri-County Feeds (TFC)**, was our next speaker. He said that Bill Jackson began TFC in 1978 out of a garage. In 2007 they opened their current building located at 7408 John Marshall Highway, next to the Livestock Exchange. They're celebrating their 10 year anniversary the 2nd weekend in September. They offer a variety of special events and would like your ideas for future offerings! In addition to, of course, their feed store, they sell clothing, boutique items, and home décor. Their hours are: 9am to 6 pm M-F; 9am to 5 pm Saturdays; and 12 noon to 5 pm on Sundays. Check out their website for more info:

www.tricountyfeeds.com  
or call them at (540) 364-1891

Our last speaker of the night was Mr. Jan Sickle, President of the Marshall Ruritans. The Ruritan building should be complete and ready to move in this September. The Marshall Ruritans want to thank Chris Robinson and Grace Bible Church for all of their help. Jan said the Ruritans could not have made it through the last year without them!

Their new building will have a covered entryway to allow cars to pull up and let people out while protected from weather and will be handicap accessible. Once in their new building, their Social Hall will be available to rent and they will continue their many events for the community:

- Seniors' Christmas Dinner*
- Adopt A Family For Christmas*
- Kids' Weekend Lunch Box Program*
- Thank You Dinner for Teachers*
