

Process Improvement and Operational Consulting Capability Statement

Company Overview

RivCorp is a certified Service Disabled Veteran Owned Small Business providing process improvement and operational consulting support for federal programs. We help agencies stabilize operations, improve delivery, and strengthen oversight through disciplined execution and practical governance.

Core Capabilities

- Intake and workflow redesign
- Operational assessments and gap analysis
- Cost visibility and performance reporting
- Program transition and operational stabilization
- Vendor and subcontractor governance
- Service delivery oversight and accountability frameworks
- Knowledge transfer and continuity planning

Operational Approach

RivCorp focuses on practical improvement, not theory. We assess current state operations, identify friction points, and implement clear operating structures that teams can sustain. Our work emphasizes transparency, ownership, and measurable outcomes aligned to contract requirements and agency mission needs.

Differentiators

- SDVOSB prime contractor posture
- Built from leading large scale service delivery and enterprise operations programs
- Governance focused execution model
- Experience operating in regulated federal environments
- Clear communication and decision accountability
- Designed to support both steady state and transition periods

Customers and Agencies Supported

- Department of Veterans Affairs
- Department of Defense
- Other federal civilian agencies

NAICS Codes

- 541611 Administrative Management and General Management Consulting Services
- 541618 Other Management Consulting Services
- 541614 Process, Physical Distribution, and Logistics Consulting
