2024 SUMMER RECITAL

What is Recital?

Our annual June recital is an exciting performance experience for our dancers. The recital offers our students a professionally directed performance that allows them to present the results of a year's hard work, dedication, and progress. Each class is invited to perform a dance that is learned during their regular class time. No additional rehearsals are required with the exception of two rehearsals during recital week. We look forward to our recital all year long because it is such a wonderful experience for our entire dance family. We hope you and your dancer will join us for another great year!

Is there a costume?

Yes! Costumes are just one more fun element in the recital process. Each dancer participating in recital will be measured for their costume during class time. Teachers will choose an appropriate costume for that classes dance, and costumes will be distributed at the end of class once the studio has received them. Dancers will be responsible for providing the proper dance shoes and tights (if applicable). Your teacher will notify you of the required shoes/tights when the costumes arrive.

Do I get to keep the costume?

Yes! Dancers will take their costume home after they have been delivered to the studio, and they are yours to keep.

How do I buy tickets?

Tickets will be sold directly from the theater, Vacaville Performing Arts Theater. Tickets will be available one month before the show. Tickets can be purchased online, in person, or by calling the box office.

Can I videotape the recital?

Video and photography are not allowed during the recital performance. A professional videographer will record one of the performances and the video link will be made available to you. The price for the recital video link is covered in your dancer's participation fee.

IMPORTANT DATES

Recital Week: June 17th - June 23rd

Leading up to the performance dates, we will have two rehearsals at the theater. Regular classes will not take place at Dixon Dance Studio during recital week.

1. Tuesday, June 18th: Tech/Staging Rehearsal

No costumes. This rehearsal helps dancers get used to the process of getting on and off stage, finding their places, as well as get used to the lights.

2. Wednesday, June 19th: Dress Rehearsal

Dancers will come to the theater in full costume and makeup. In addition to giving the dancers practice on stage with their costumes, this rehearsal also allows the technical staff at the theater to set the lighting for the stage, and practice running the music.

Performance Dates:

Saturday, June 22nd and Sunday, June 23rd

There will be three performances. Two Saturday performances and one Sunday performance. Dancers will need to arrive at the theater 30 minutes before the show in their costume and makeup.

Recital Rest

After recital, the studio takes a two week break from regular classes. The studio will resume with a consolidated summer schedule on Monday, July 15th.
