

# MAGIC *in* MOTION

## 2025 WINTER SHOWCASE COSTUME GUIDE

For this year's 2025 Winter Showcase, Magic in Motion we will once again be using a 3-in-1 costume concept! Each dancer will wear the same base costume, with style and shoes tailored to the specific dance genre. This allows us to create unique looks for each performance while keeping everything streamlined and coordinated.

To help you prepare, we've put together this Costume Guidebook with all the details you'll need to ensure your child is ready to shine. Please take a moment to review the following information carefully to make sure your dancer has the correct tights, shoes, and other costume pieces for each of their routines.

Matching costumes are more than just a visual element – they help foster a sense of unity, confidence, and pride in your child. When all the dancers are in the same outfit, it creates a feeling of belonging to something bigger, and your child will feel more empowered on stage. Additionally, we love how a coordinated look enhances the overall performance and makes the photos from the event truly spectacular. Seeing all the dancers in uniform helps create beautiful, cohesive images that will be cherished for years to come.

**Costume Distribution & Sizing** - All costumes will be handed out at the studio when they arrive. Our staff has assessed proper sizing based on student measurements and the costume company's sizing guide to ensure a good fit. If a dancer needs a replacement size, we will order a replacement.

**Shoes and Tights** - Dancers are responsible for purchasing their own shoes and tights. For uniformity, we ask that you purchase shoes and tights from the following brands: Capezio or Bloch. All items can be found in-store at Capezio Dance Shop (3939 H Street, Sacramento), or online. We have provided links for all items below.

**Makeup** - To ensure your dancer stands out under the bright stage lights, all performers should wear stage makeup. We suggest using the amount of makeup you are comfortable with for your child. At a minimum, we recommend light foundation, blush, mascara, and a touch of lipstick or gloss to help bring out their features on stage.

Thank you for reading through this guide and for your support in making this showcase a memorable experience for your dancer. We can't wait to see them light up the stage!

Warm regards,  
Morgan Hicks and the Dixon Dance Studio Team
