

## DIXON *dance* STUDIO

### **2023 Winter Showcase Costume Guide**

Below, you will find our costume guide created for our 2023 Winter Showcase: Believe. All costumes will be handed out during class time, and proper sizing will be assessed by the teacher. Costume is chosen based on student measurements and the costume company's sizing guide.

**Shoes and Tights:** Dancers are responsible for purchasing their own shoes and tights. All other brands of shoes and tights ([Capezio](#) and [Bloch](#)) are available online, in store at Capezio Dance Shop (3939 H Street, Sacramento) or at Discount Dance ([www.DiscountDance.com](http://www.DiscountDance.com)). Additionally, shoes for most preschool and A level classes can be found in our online NIMBLY store.

**Makeup:** All dancers should wear stage makeup so that they are not washed out under the bright stage lights. We suggest that parents use the amount of makeup they are comfortable with for their child. Minimally, light foundation, blush, mascara and a light lipstick or gloss are sufficient.
