

Holiday Hearts

**Only one more week until the Holiday Hearts Dress Rehearsal!
Here are some reminders and tips on how to prepare:**

Date: Thursday, December 12th

Time: 5:30pm

Location: Dixon High School Theater - 555 College Way, Dixon, CA

Rehearsal can be a lengthy process, so please be on time. We would like to get our dancers in and out of rehearsal as fast as we can.

WHAT DOES "DRESS REHEARSAL" MEAN:

This means that dancers should arrive dressed in their first (or only) costume/look, plus full hair and makeup. This includes tights and any hairpieces or hairpieces. Check the [COSTUME GUIDE](#) to make sure you know what costume look your dancer should be in, as well as the tights and shoes they will need.

WHAT TO EXPECT:

We will run the rehearsal in order, just like the show. Dancers will practice changing costumes, and practice getting in line for their dances backstage. This will give them the chance to practice their stage entrance and exit.

Rehearsal is an opportunity for dancers to practice being onstage, and also an opportunity for our staff to practice running the music, lighting, transitions, etc. This process requires a bit of patience as we work out the kinks in order to make a great show for you and your family and friends.

If your dancer is in more than one dance, this gives you or the dancer a chance to figure out how fast they will need to change into their next costume.

WHO SHOULD BE THERE?

Space is limited, so we ask that you please only bring ONE ADULT PER DANCER.

DO WE NEED TO STAY FOR THE ENTIRE REHEARSAL?

Dancers may leave after their dance is complete. In certain cases, the teacher will ask a class/dance to stay a bit longer so they can run the dance again, so please make sure to listen to instructions from the teachers.

We are so excited for another amazing show! Thank you for supporting your dancer and the studio!
