

Dear Sponsor,

On behalf of Tuscaloosa Children's Theatre (TCT), I am excited to announce our upcoming event, TCT's Stardust Diner, taking place on Thursday, July 30 at the Dinah Washington Cultural Arts Center. Inspired by Ellen's Stardust Diner in New York City, this one-of-a-kind evening will blend great food, music, and performance — featuring our talented young performers serving up diner favorites while singing songs that spotlight their incredible skills.

For decades, TCT has proudly nurtured creativity, confidence, and collaboration in children through the performing arts. TCT's Stardust Diner will celebrate these young artists while raising vital funds to support our productions, educational programs, and scholarships that ensure all children have access to the arts.

We invite you to partner with us as a sponsor for this special event. Your support will help make the evening a success while showcasing your business's commitment to arts education and our local youth. Sponsors will receive recognition throughout the event, including:

- Event and program acknowledgment
- Prominent logo placement on event materials and signage
- Complimentary event tickets
- Public thank-you announcements during the evening
- The opportunity to attach your business name to one of three signature drinks, each themed around one of our upcoming season shows
- The chance to sponsor one of the evening's performances, with your business name announced before the song is performed

We would love to discuss how we can tailor a sponsorship package that aligns with your goals and highlights your support of the arts in Tuscaloosa.

Thank you for considering this opportunity to support Tuscaloosa Children's Theatre and the young performers who make our community shine.

With Gratitude,
