

EXPERIENCED FIRE ALARM ENGINEER

Hades Fire Protection is an NSI Security and Fire BAFE company based in Faversham, Kent, running since 2007. We are looking for an experienced **Fire Alarm Engineer** to join our team on a permanent basis for work in Kent. We're a small company but with a wide range of customers and sites, from office blocks and warehouses to schools and HMOs.

Salary: £35,000 - £40,000 Basic (negotiable dependent on experience) plus On Call Stand-by Pay.

Experience required: 5 years plus. We are looking for a competent engineer with a proven track record installing (small works), fault finding, servicing and some commissioning of fire alarms in commercial properties. Experience in related systems including emergency lighting maintenance and small works a bonus.

Fire Alarm Engineer Skills & Qualifications:

- Experience with leading fire systems used in UK, eg Honeywell SMS / Gent, Apollo, Hochiki, Vesda, EMS, Eaton etc
- Desirable qualifications include: ECS card or equivalent, IPAF, FIA and / or City & Guilds
- Fire Alarm Level 3 Fire Detection and Alarm Qualification and / or be prepared to achieve this during employment
- Evidence of Manufacturer Training
- Full UK Driving Licence
- A positive, flexible and can-do attitude

Role:

- Field based role covering a number of sites across Kent
- Communicating with clients, members of the public and office staff and providing excellent forward-facing customer service
- Installation (small works) and some commissioning of a range of fire systems following industry standards & regulations
- Troubleshoot and fault diagnosis and repair
- Technical support to customers as needed
- Scheduled Maintenance of systems
- On-call one week / month – paid standby and if called out
- Follow company policies & procedures and RAMS & complete paperwork clearly and on time
- Supporting other engineers where required

Training & Benefits:

- H&S (IPAF, Asbestos etc) and Manufacturer training plus support to complete FIA qualifications where required
- Travel included with company van & fuel card
- Overtime available & project related bonuses
- Company phone, laptop & branded clothing
- Company pension

We aim to be an equal opportunities employer and welcome applications from all sections of the community.

As a BAFE & NSI accredited company, all our employees are required to complete security screening to BS7858 as a condition of employment, which includes DBS and Barring checks.

If you are passionate about life safety and want to develop your skills in fire alarms whilst being part of a growing, innovative team, apply today via our website www.hadesfire.com or send CV and covering letter to paula@hadesfire.com.
