Patricia Elson, Santa Clara, California, thought this mirror was no longer available until she did an Internet search for it. She must be buying them for her friends. This is a message she included with her order for four mirrors: "I've been using a Safety Sport Mirror for the last 25 years. It is the greatest! It is secure and precisely adjustable with the mirror in a spot where you can easily see it, unlike some helmet-mounted mirrors. Thanks for making these wonderful mirrors available. Please send me four mirrors."
(Pat later ordered five more mirrors)

Sharon Wilson, Decatur, Texas: "I got my mirror yesterday and it's WONDERFUL! It was a gift for my boyfriend and he couldn't be more pleased. He has tried several others that he didn't like. When I get my bike, I'll be ordering another one for me."

John Enzweiler, Moorpark, California: "I picked up my first mirror on RAGBRAI many years ago. It still works fine but I am ordering one for a friend so I thought I would get a new one at this time. At this point I would have a hard time riding without a mirror. Many thanks, John" **(John later ordered ten mirrors)**

Jeff Wallace, Boulder, CO: "I find the Safety Sport Mirror with its undistorted, high-quality mirror perfect for easily and quickly gauging the traffic behind me, whether it is a car or a bike." **(Jeff later reordered.)**

Rahel Sivan, Findlay, OH: "I am Deaf and use a walker. By mounting your small mirror to my eyeglasses, I am now able to walk safely and freely anywhere I choose."

Bonnie Lynch, Palm Desert, California: "I love the mirror, Wayne. Tried it this morning on our club ride and it worked great. I thought I might have to adjust a little to it being smaller but I see all I saw before with the bigger mirror which was a lot larger. Great product, I will be sure to tell the people I ride with. Thanks a bunch, Bonnie"
(Bonnie has now become a dealer for the Safety Sport Mirror.)
